## First Spring Drive Saturday, April 12th

## Spring Slalom, Sunday April 20th

## NGJC Car Corral At The Mitty Friday, Saturday, Sunday April 25, 26, 27

### PRESIDENT'S LETTER

April, May, and June are the best spring car months and we have a lot of club related car activities for you to choose from. Hopefully you will find several events of interest and come share the day with other club members. I want to particularly encourage you to come and support the British Motorcar Day on Sunday, May 4. This event was started thirty-one years ago by Brian Hernan and a few other British car enthusiasts and remains the one charity event that all the British car clubs in Atlanta support. Dr. John Hollier and I both represent our club on the Board of Directors and you can contact either one of us for further information.

I spoke with Brian Bruder, Jaguar Sales Manager at Hennessey Gwinnett Land Rover Jaguar, this past week and he wants all of us to know that the new F-Type Coupes will start arriving in late April and that Hennessey will host an introduction similar to the one last year for the F-Type OTS. I'll make sure that our club members know when this event is on the calendar.

Drive Friendly,  
Dave K

## Spring Slalom, Sunday April 20th

*Submitted by John Baxa*

Come join us for the first Slalom of the year Sunday, April 20th and test your driving skills—this is a timed event negotiating traffic cones with only one car on the track at a time. The NGJC slalom is open to all members and is the only driving competition that the club sponsors. In addition to being an exhilarating minute or two in your Jaguar, it can be a great spectator event. You can see some exciting runs by experienced drivers, and you can participate, too. It's more fun than you would think to navigate the cones over three circuits. You don't even have to push the limit, just try to have fun driving your Jaguar through some turns all in the confines of a large parking lot!

The morning starts out at 10:00AM with training and paper work. This is helpful for the new people that have not yet run a slalom. We will be there to help you with preparation and how to follow the course. At noon, the time trials start if everyone is trained and ready. After the runs, the track is open for practice as long as people want to hang around. A lot of fun to watch also so bring out some lounge chairs and enjoy.

There is a \$10.00 fee for JCNA members and \$20.00 charge for non JCNA Members. This is to cover the insurance and help defray the cost of renting the facility, timing equipment, cones, chalk and the like. Still a bargain for what you get.

## First Spring Drive Saturday, April 12th

*Submitted by Dave Kirkman*

The weather should finally start to warm up for a nice drive in the country. We will meet in the parking lot behind the Wendy's on GA400 just north of highway 53. We will gather at 9:30 with a 10:00 am start time to our mystery destination. If the weather is inclement the makeup date is Saturday, April 19, a date we have scheduled a second spring drive. And due to the popularity of these drives, we have yet another one scheduled for Saturday, May 17th. We'll have more information on that one in the next newsletter.

## NGJC Car Corral At The Mitty Friday, Saturday, Sunday April 25, 26, 27

*Submitted by Dave Kirkman*

Classic Motorsports magazine has approached both George Haldane and Dick Maury at Coventry West about sponsoring a Jaguar Corral at this year's Mitty the last weekend in April. Vintage races cars take to the Road Atlanta Track during the three day MITY starting on Friday, April 25 and concluding on Sunday, April 27. This year Formula Race Cars will be featured and something to see if you have never seen these fantastic race cars driven at speed.

Here is the deal: (1) we need twenty cars to RSVP with Dick Maury (dick@coventrywest.com) and he will finalize the details with Classic Motorsports for them to rope off an area for our Jaguar Club. Now it is not necessary to participate all three days and typically we all gather on Saturday for a day at the races. So, if there is even a fifty-fifty chance that you might attend please RSVP with Dick by Friday, April 4 so that he can reserve a space for our club (you count even if you don't show up!).

A one day pass is \$35 at the gate plus the \$15 parking pass. Complete details are at [www.classicmotorsports.net/events](http://www.classicmotorsports.net/events).

## Georgia "Slow-Poke" Bill Awaits Governor's Signature

### Welcome new members

Bill and Jane Flavelle of Hoschton,  
John and Barbara Carroll of Fayetteville,  
Melanie Wallace of Lawrenceville and  
Lauren Bruce of Atlanta.

### From Various News Reports

Left-lane lurkers on Georgia's highways and interstates are a pen-stroke away from trouble under legislation given final passage March 11th by the Georgia Senate. House Bill 459 would allow authorities to ticket those who lollygag in the state's left lanes. The bill makes it a misdemeanor for any driver on a divided highway who does not move to the right when a car going faster approaches from behind. With the state House already signing off on the measure, all it needs is Gov. Nathan Deal's signature to become law.

Senators said they were not trying to encourage speeding. However, as Senate Rules Chairman Jeff Mullis, R-Chickamauga, said, "often times drivers travel through (the left lane) as if they're in tourist mode."

John Bowman, a spokesman for the National Motorists Association, approves of the measure. "I think most states do have some law on their books that attempts to limit slower drivers from using the left lane," he says. "It really does make sense. And it's an issue we've been pushing for a long time."

The Senate approved HB 459, by Rep. Bill Hitchens, R-Rincon, on a 42-5 vote. Lollygagging drivers could face misdemeanor penalties of no more than \$1,000 in fines and up to a year in prison. Hitchens who was a state trooper for 33 years and is the former head of the Georgia Department of Public Safety, says he expects much lower penalties.

He says the measure would be tough to enforce. He says he pushed it more for education purposes, over concerns that irate drivers stuck behind dawdlers might spur road rage incidents or cause crashes while trying to pass.

"I don't think a lot of people understand that on multi-lane highways with traffic going in the same direction, that slower traffic is supposed to keep right," Hitchens says.

# All British National Meet May 29-31 Hot Springs, Arkansas

Submitted by Barry Harrison

This is our third year to host an "All British" National Meet in Hot Springs National Park. We understand there are already many opportunities, each year, to attend some GREAT car shows. We also know most National Clubs already put together fantastic conventions and meets for their members. But, since those shows are usually model and/or brand specific, we thought there should be at least one organized effort, each and every year, to bring everyone together. So, no matter what British Marque you personally own, drive, show or dream about we invite everyone to join us in Hot Springs National Park May 29-31 2014 . The "ALL MARQUE CHALLENGE"  
The All Marque Challenge is a TEAM competition that will take place during the British National Meet. Teams are made up of individuals representing common Marques. (MG, Triumph, Austin Healey, Jaguar etc. etc.) To be sure all get a chance to participate there will also be an Empire Team made up of Marques that don't have enough cars to fill a roster. Each Team will choose a team Captain. Each Team will assign one of its members to compete in a specific event.

The five events are: Golf, Skeet Shooting, Lawn Bowling, Valve Cover Racing and The Poker Run. The dates, location and times of all events will be posted on the British National Meet Schedule. Teams can and will be added based on interest and participation. (Example: After the MG Team is full a MGB or MGA Team may be formed.)

Individual awards will be given the winner of each event. Points will be awarded the first, second and third place Teams. Teams with the most points win The All Marque Challenge.

The Teams will be sold at Calcutta Auction during the National Meet. Anyone may buy a Team. The proceeds from the auction will be split between the owner of the winning Team and The Hot

Springs Village Community Foundation. Since anyone can participate in the above events, Teams must designate who is competing for them as an All Marque Challenge Team Member.

Charity: Drive Away Cancer  
To be fair, there are bigger charities out there with better organizations with more press and greater visibility. Drive Away Cancer aspires to none of those things. Instead, its simple mission is to visit as many people as possible whose lives have been touched by cancer and make their day better.

It might mean that a child sits on the driver's lap and get a chance to saw at the wheel while tooling around a parking lot. For an adult that's ill, it might be the chance to relive a time past by taking a classic car out for a spin. For others, it is the opportunity to memorialize and celebrate loved ones who have been lost to cancer, survived their battle or continue to fight today by writing the names of those individuals on the scarred flanks of another type of survivor.

Every car used to Drive Away Cancer has been spared from metaphorical death by car enthusiasts all around the country who have worked to ready them for the road to seek out new friends and make new memories.

# 2014 Great British Car Fayre in Alpharetta

Submitted by Ray Gilbert

What a GREAT day it turned out to be! Adverse advance weather forecasts proved to be somewhat inaccurate as the rain thankfully stayed away for most of the day, with the largest shower happening right at the end of the last song performed by the Big Chicken Beatles Band, (just as we were about to announce the trophy winners!)

The event organizers would like to extend a warm THANK YOU to all the car-owners and classic British car clubs who joined us yesterday and made this year's Car

Fayre the success it was. An estimated crowd of more than 4,500 had the opportunity to view some of the finest classic British cars you'll ever see, dine on the best fish 'n' chips in town, and sing along to their favorite Beatles songs.

At the end of a hotly-contested competition, the winner of the Peoples' Choice Trophy was BRUCE FLANTZER, owner of the beautiful 1962 MGA Mk II, "Sweet Thing". Here we see Bruce receiving his trophy from British Vice Consul, Claire Newman MBE.

In 2nd place, (a mere one point behind the winner), was ROB HANKINSON's magnificent McLaren MP4-12C. 3rd place went to CHRIS MORETON's 1933 Rolls-Royce Hooper D.

Another extremely close decision, and a clean sweep for the MG's for the Peoples' Choice Trophies. In 1st place, MIKE COOK's 1977 MGB V8 Modified. 2nd place, (again, one solitary point behind the winner), was JAY FRANKLIN's 1962 MGA, 1600 Mk II, "Angus". 3rd place went to BRUCE FLANTZER's 1962 MGA Mk II

None of these cars is perfect - in fact, every attempt is made to ensure that while they run, Drive Away Cancer recognizes that no amount of effort can make them run perfectly. Rust holes are patched and oil leaks are dealt with by adding more oil. The point is to keep going despite the problems and let everyone know that while the cars break down, they do not stay down.

These cars are the perfect metaphor for dealing with cancer. Sometimes we can't fix what is wrong but we can still go out and face the day with what we have. The cars involved in the drive have covered more than 250,000 miles across all 50 states with overseas efforts covering an additional dozen countries and thousands of more miles. If you can help, go out in your car and find someone - anyone - and just give them a ride and a chance to smile, even for just one more day. See <http://driveawaycancer.org>

## Amelia Island Concours 2014

Submitted by Dave Kirkman

Three of our NGJC members had cars on the Concours field at this year's Amelia Island Concours d' Elegance and one club member served as a Class Host. Robert Farris's, 1911 Maxwell EA, took the Blue Ribbon Class HC (Horseless Carriages 1895-1915). In the SC2 Class (Sports & GT Cars 1955 - 1962) an Amelia Island Ribbon went to Kent and Melissa Hussey's 1955 Jaguar XK140 MC/SE. This is the same car that was the judge's choice at our JCNA Concours in 2011 and is one of the best XK140 examples anywhere.

Ivan and Myrna Ruiz's beautiful Maserati Ghibli Spider won a Sponsor's Award for Best Italian Coachwork in Class MAS (100th Anniversary of Maserati Street) and John Wagner served as Class Host for Class AP (American Production). I also understand that several of our other club members were there but I only ran into Vail and Linda Frost as they made

their way among the throngs of spectators. To say Amelia Island is crowded is an understatement (think Tokyo subway at rush hour). Part of the price you pay for a once-in-a-lifetime chance to spend a day with a class of Zagato-bodied automobiles, rare one-off classics and a dozen-plus race winning prototypes from McLaren

# British Motorcar Day, Sunday, May 4TH, Roswell, GA

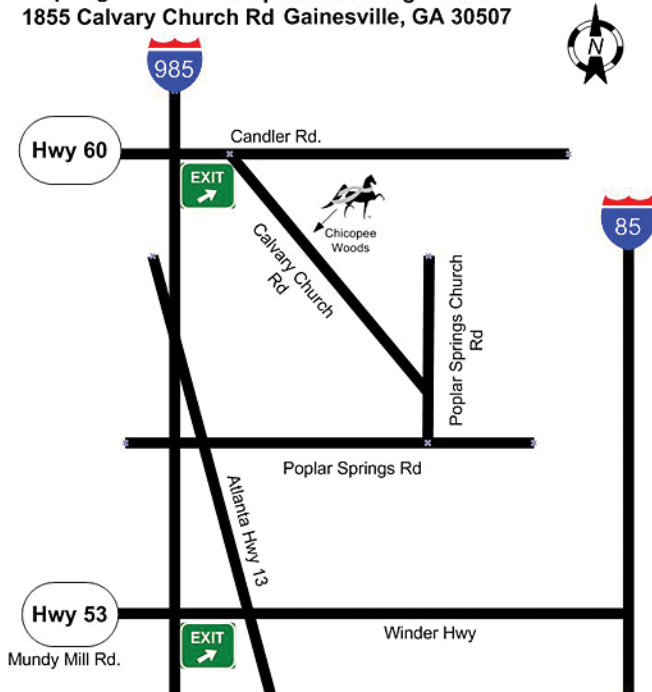

Submitted by Dave Kirkman and John Hollier

The thirty-first annual British Motorcar day will return to the tree-lined parking lot of Roswell City Hall again this year. This is the only all British car event sponsored by all twelve British car clubs in the greater Atlanta area. Last year's event drew over two hundred British cars from marques well known to obscure. This low key event is a wonderful way to spend a day with fellow club members. Food and drink will be provided on site as well as continuous shuttle service to the restaurants and shops in historic downtown Roswell. Preregistration is \$15.00 and day of show registration is \$20.00 with all proceeds going to charity. Entry forms will be emailed out shortly and on our club web site too.
