2nd Spring Drive Saturday, April 22, 2017

Submitted by Doug Utt

Please join us April 22 on the south-side of Atlanta to enjoy NGJC's second drive of 2017. We will meet at 870 Crestmark Drive, Lithia Springs, a business office, between 9:30 and 9:45. The major intersection close to this address is Skyview Drive and Thornton Road. Crestmark Drive passes behind a Chick-fil-A, a McDonald's and a Holiday Inn Express.

We will leave at 10:00 for a drive of approximately 100 miles in length. There are two gas stations at Skyview and Thornton should you need fuel prior to the drive.

Our drive will take us through the northern Chattahoochee Hill Country, then south to Banning Mills where we will have a brief stop to stretch our legs. The next leg of the trip will be through the western hills of Georgia on both sides of the Chattahoochee River. After another brief stop, the final segment of the drive will take us away from the Chattahoochee into Newnan, Georgia for lunch at Mama Lucia's.

Please RSVP by April 19 to Sandy and Doug Utt via their email, uttd@bellsouth.net, or by calling 678-953-0390. This drive will take place either shine or rain.

British Motorcar Day Sunday, April 30th, 2017

Submitted by Dave Kirkman

April 30th may seem like a long way away but our calendars can fill up quickly during the spring months so reserve the date for the thirty-third annual British Motorcar Day celebration. For our new members that may not be familiar with British Motorcar Day it is the only charity British car event supported by all fourteen British cars clubs in the greater Atlanta area and is the one British car charity event that I encourage all of our club members to attend (or at least register your car even if you cannot attend). NGJC member Brian Hernan, along with two other British car enthusiasts,

started British Motorcar Day in 1984 and it has been held every year since and will be held again this year on the tree shaded parking lot at Roswell City Hall. Club representation on the BMCD Board of Directors is strictly on a volunteer basis and John Hollier and I currently represent the NGJC. Expenses for the event are kept to a minimum and over three thousand dollars is annually contributed to a variety of local civic and charity organizations. Plan now on celebrating this charity event with other club members on Sunday, April 30th, 2017!

We were also fortunate to have our own club member Dick Maury receive the prestigious Andrew Whyte service award. (See article on page 5)

There can be two voting delegates from each JCNA club, and the delegates who attend the AGM are very passionate about Jaguars and how the JCNA should be run. Many heated discussions ensued.

I should bring up one item that was discussed. There appears to be a phishing attempt going on with the JCNA local clubs. We have gotten two of these emails. People are getting the names of the officers from the website and sending emails, usually from the President to the Treasurer requesting money to be disbursed. We have not responded to these emails and I would ask if anyone receives one to please forward to me or Lynn Cunningham.

The JCNA IJF is coming along very well. We have registrants from eight states including Michigan, Pennsylvania and Colorado. I have talked to people from Ohio and Ontario, Canada who have indicated they will

Map to Start of 2nd Spring Drive 870 Crestmark Drive Lithia Springs, GA 30122

register. Of those registered only two are from our club. We seem to be attracting a far-reaching audience.

In addition, the JCNA IJF judging score will be used for a tie breaker when competing for international awards. This will be done through a special formula and only in the event of a tie. This adds quite a bit of prestige to the event and may become a necessary event for competing for international wards. Help is still needed for the event. Please call or email John Hollier (drjhollier@att.net) to get on the volunteer list.

Ivan Ruiz Takes Major Award At Amelia Island Concours

Submitted by Dave Kirkman

Congratulations to club members Ivan and Myrna Ruiz winning an Amelia Award for their beautiful 1977 Maserati Bora at this year's Amelia Island Concours d' Elegance. The Bora is a very unique car and obviously impressed the judges in a strong field of European sports cars.

Of special interest to Jaguar enthusiasts was a reunion of D-Types along with a book signing by Norman Dewis, famed Jaguar test driver. Norman is now well into his 90's but as spry as ever and the diminutive D-Types are always a spectacular sight (I cannot begin to imagine what it would have been like driving one of these cars at 180

MPH down the Mulsanne Straight in the dark with Lucas lights leading the way!)

This year's Amelia Island Concours d' Elegance was moved to Saturday in anticipation of a major rain storm scheduled to arrive on Sunday. With many years' experience in hosting this event the concours officials made the change without any obvious interruptions in the proceedings although the Saturday crowd seemed a little less and that actually added to the enjoyment rather than pushing your way through the typical Sunday crush.

Dick Maury awarded Andrew Whyte Service Award

Submitted by John Hoffman

This year's Annual General Meeting of the Jaguar Clubs of North America was held in Vancouver, B.C. Our club was very fortunate to have the prestigious Andrew Whyte service award given to our member and past JCNA President, Dick Maury.

The Andrew Whyte Service Award is a special one in honor of a special Jaguar man. The nominees for the award exemplify Andrew's personal philosophy. He was a man who endeavored to be of assistance to everyone whenever he could, succeeding a remarkably high percentage of the time. I believe Dick as the first club member to receive this award truly adheres to this philosophy.

Born in Scotland, Andrew Whyte's enthusiasm for Jaguar began in childhood. He joined the company in 1955 and by 1972 he was Jaguar's public relations manager. In 1979 he resigned and became a free-lance writer, concentrating on books about Jaguar, including Jaguar the Definitive History of a Great British Car. Throughout his career he supported the Jaguar club movement, giving freely of his time and his encyclopedic knowledge of the marque. Andrew Whyte died early of a heart attack in 1988. His many contributions in preserving Jaguar history and dedicated involvement in Jaguar clubs were the basis for establishing the Service Award in his name.

March Spring Drive Well Attended

Submitted by Dave Kirkman

The display of Jaguars attending our initial Spring Drive was a virtual history of the last fifty years of the Marque. James Strickland's Series I E-Type OTS and Paul and Margaret Mayer's new F Pace served as the historical bookends. The XJS of Susan Phillips, Bill Corn, and John and Judy Hoffman's and the XK8's of Brian Black, Sandy Utt and daughter Heather, Brian and Marie Ulrich, David Weaver, Larry and Jo Ann Courant, and Malcom Cox, and the XJ of Bill and Jane Flavelle filled out the years in between. Wayne Phears brought his classic Porsche 356 out for a run, as did Ivan and Myrna Ruiz with their new Ferrari California. With thoughts of rain a distant memory we headed out on the country roads in Cherokee County, and down some very narrow twisty ones, that everyone seemed to enjoy. Our final destination was the Olive Garden Restaurant near Canton where we all gathered for lunch and good conversation. Beverly and I really enjoyed seeing everyone who joined us for a delightful morning drive.

For Sale 2004 XJ8

Submitted by David Weaver

I have a 2004 XJ8 for sale and John mentioned at the Spring Drive about putting it in the newsletter.

In 2007, I acquired a pristine off-lease 2004 XJ8, silver with cream interior. It has been maintained since by Nalley/Hennessy Jaguar and since about 2010 by Rocco's European Garage. As you may know, the air springs are expensive and can be problematic. Recent work includes changing them out for stock springs (with no degradation in ride quality), new front control arms/bushings, new fuel level sender, and cooling system maintenance. I am downsizing my Jaguar fleet and am ready to let this one go to a new home for \$7500. Please contact David Weaver, 678-427-8098 or daweaver@me.com.

In Memoriam S. David Kahn

Kahn. David E. Kahn, an entrepreneur, was from Lexington, Kentucky where at the age of fifteen he met and befriended Edgar Cayce, the famous Mystic referred to by his biographer as "The Sleeping Prophet". David E. Kahn and his wife were longtime close friends and supporters of Edgar Cayce. David E. Kahn wrote a memoir which was published posthumously, "My Life with Edgar Cayce" Dr. Kahn was active until shortly before his death in a research project conducted by The Association for Research and Enlightenment, the non-profit organization created to support and continue the work of Cayce. Dr. Kahn was one of a very few number of people still living who knew Edgar Cayce personally.

Dr. Kahn was an innovator as is reflected in his many and varied accomplishments. He graduated from Harvard College magna cum laude in 1950 having written his undergraduate thesis on Extra Sensory Perception. While designing his testing for this paper, he consulted with the skeptical B. F. Skinner.

As a third year medical student at Harvard Medical School, Dr. Kahn wondered if cooling the brain during neurosurgery would allow the surgeon additional time in the brain during surgery without causing brain damage. His idea led to his paper on cold brain surgery Circumvention of Anoxia During Arrest of Cerebral Circulation for Intracranial Surgery, with W.M. Lougheed, published in 1955 in the Journal of Neurosurgery (which has since been referenced at least 3000 times). After first being tested on dogs, the technique was used on a human patient successfully. Cold brain neurosurgery is still used around the world today.

After graduating from medical school in 1954, Dr. Kahn Interned at Bellevue Hospital in New York from 1954-1955. He did his psychiatric residency at Kings County Hospital in Brooklyn from 1955-1957, and was the Chief Resident at Roosevelt Hospital in New York City from 1957-1958. He took his psychoanalytic training at Columbia University and was certified in 1966. Dr. Kahn was the didactic analysand of the leading American psychoanalyst and author, Dr. Abra Kardiner, who had been an analys and of Sigmund Freud's.

Dr. Kahn served in the Army from 1958-1960 in the rank of Captain. He was awarded the Army Commendation Medal for meritorious service for his experimental project in reduction of military offender population.

From 1960 to 1961, Dr. Kahn served as Head of the In-patient Service at Montefiore Hospital in New York City. In 1961 he established the first day psychiatric hospital program in the US at Montefiore, which allowed patients to be in a structured setting during the day while being able to go home at night.

In 1967, Dr. Kahn moved to Atlanta to conduct research at Emory, where he was the first to introduce computers to psychophysiological research. A few years later, he established a private practice. He saw patients until just weeks before he died. Dr. Kahn passed away peacefully at home on December 18, 2016.

Dr. Kahn is preceded in death by his late wife, Caroline Phelps Kahn, and is survived by Susan Phillips and her daughter, Callen Phillips. He is also survived by daughter, Cynthia Kahn of Fernandina Beach, FL; son, David Beecher (Krista) Kahn of Tallahassee, FL; grandchildren: Elana Karol, Ryan Kahn, Megan Kahn, and Ava Kahn; brother, Richard (Elaine) Kahn of Montauk, NY.

Friends of David are invited to attend his memorial service and following reception at H. M. Patterson and Son Spring Hill Chapel, on Saturday, April 29, at 11:00 am.
