Judges Training Session Set For August

Submitted by Craig Kerins

As I hope everyone knows, our great club is hosting the second annual JCNA International Jaguar Festival at Lanier Islands the second weekend in October. The all important Concours d'Elegance will be featured on Friday, the first full day. This show will possibly have in excess of one hundred automobiles and will stress our normally robust judging team. We will of course have many visiting judges, but I've learned from experience that our own team has again and again proved sturdy, reliable, and indispensable.

I am asking all current judges to make every effort to attend and participate in judging on October 13th. Please let me know if you

We did it again! 18 cars on the drive to Cartersville and no one got lost. Thanks to Bob and Linda Ray for bringing up the rear in their--pardon me--LINDA's beautiful red 2013 XK convertible. The manager of the Appalachian Grill worked her magic and managed to feed 41 of us (in addition to her other Saturday guests)

and get us out the door in time for our 1:30 tour. The Hernan family, all nine of them, met us at the Museum, so we had 50 take the tour. The Booth Western Art Museum houses the largest exhibition space for Western art in the country. In addition to all its other beautiful paintings,

The Monte Carlo style rally is the "fun way to rally". The driver and navigator receive instructions with a starting point and a destination (checkpoint) and a series of strip maps showing roads and distances to choose from between the two points. The object is to arrive at the checkpoint in the stated time in the instructions. It is

up to the driver and navigator to select the roads and follow them on the strip maps. A stop watch, or the stop watch function on your cell phone, is all that is required to keep track of the running time as you travel from the start to the checkpoint.

LETTER FROM THE PRESIDENT

Summer has arrived and by the time this is published in the August newsletter, most of the schools will be open for the "fall" semester. What happened to the day after Labor Day. Woops, am I showing my age?

Judy and I attended the Carolina Jaguar Club annual event in July and it was wonderful as usual, see the article in this newsletter.

The trip up there, to northwestern N.C. was uneventful but hot. The air conditioning in the '95 XJS was working when we left home but quit shortly thereafter. It was over 90 degrees outside and sunny. Do you remember 4/40 air conditioning. For those of you too young, that is 4 windows down and 40 MPH. I felt we needed several showers after we arrived.

I did mention, to Judy, we should be thankful we didn't have this mode of transportation, but she was not impressed

However, we weren't the only ones. James Strickland and Billie Leonard drove up to the show in his Series III modified E-type, that's 12 cylinders and several extra carburetors. Their air conditioning also quit. If you have never had the pleasure of riding in a Series III, you will have a hard time believing how hot they can be. Think fried feet.

Billie recently purchased a pristine very low mileage 2002 XKR from California. James and Billie are flying out to pick it up, sight see and drive it back home. I believe Billie will make sure the air works before leaving San Diego.

You know I can't miss an opportunity to mention the JCNA International Jaguar Festival. Just received the first Canadian registration. Now we are not just in name an International Festival, but one in fact. Looking to get one from south of the border so we can make it all of North America.

We have over 60 cars registered and have only around 40 rooms left at the Lodge. Please get out and register, we can accommodate around 120 cars on the field for the Concours and probably a few more if needed. The hotel rooms may run out and the alternative is lodging around The Mall of Georgia. I will contact them to get a preferred rate when the time comes.

Judges Training Session Set For August

are (or are not) planning on coming.

I have planned the annual judge training session for Saturday, August 19 and urge all judges, and people who would like to be judges to attend. It will be a good refresher before the big show, and this year there will necessarily be some logistics changes from previous years.

Little Switzerland Carolina Jaguar Club

Submitted by: Judy Hoffman

Once again CJC has held what I think is the premier Jaguar event in the Southeast. For those of you who don't know, it is a two-day three-night event with a drive and Concours. It is held at the beautiful Little Switzerland Inn overlooking the Blue Ridge Parkway. There were club members from VA, NC, SC, GA,

TN and FL, to name a few states. Our club had a good representation of four members, of whom three won first in class. Alan & Susan Taylor, Rick & Marie Dobson and John & Judy Hoffman.

The rain threatened at the event but it kept away during the daylight hours and presented a spectacular

light show in the evening. As always the seafood buffet on Friday was outstanding featuring oysters, mussels, king crab legs, shrimp, fish and many sides. This has been a crowd pleaser for many years.

If you haven't been, consider going next year, but make your reservations at the Inn early.

Atlanta British Car Fayre September 9, 2017 • 10 AM to 3 PM • Historic Downtown Norcross

With over 400 cars and motorcycles expected, you are encouraged to register early for this, the 17th annual Car Fayre. Registration closes on Friday, September 8 at 7 pm. Our arrival and registration desk opens at 8:30 am. We try to keep the same marques together in one designated area, so your pre-registration and early arrival helps. However, we can only set aside a specific area, not an assigned space. We work very hard at this on the show day!

Discounted advance online registration cost is \$15 per car, \$10 per additional car and \$10 per motorcycle. Day of event registration cost is \$20 per car, \$15 per additional car and \$15 per motorcycle. For access to registration area on arrival follow signs on Holcomb Bridge Road onto Thrasher Street.

Calling All Motorcycles

The 2017 Atlanta British Car Fayre will feature more classic British motorcycles than ever before, and we'll have a special section put aside to feature your two wheeled classics.

Car Boot Sale

Our introduction of this new event was so successful we're bringing it back this year. It's the British version of a yard sale, with everyone selling stuff from the back of their car or truck. Your vehicle doesn't have to be British born! If it has a "boot" (that's what we Brits call the trunk of a car) it qualifies. We assign one regular parking space and you can set up a table at the back of your vehicle if needed. The attendance at last year's Car

Fayre was more than 15,000 people, so pack your car or truck with anything you think might sell. It's only \$15 per vehicle to participate and you must pre-register. While you shouldn't expect to get rich, you'll have a lot of fun turning your used stuff into someone else's new treasure.

Each year we select and support a charity and this year we are again proud to support the Amanda Riley Foundation. Last year with

generous donations from our on-line registrants and sale of raffle tickets at the Car Fayre we were able to send \$3,000 to the Foundation.

Barbara and Steve Riley founded the organization in memory of their daughter, Amanda, who was diagnosed with cancer at the age of 16. She bravely fought for her life for 405 days before passing in 2010. The Foundation works with families in the Atlanta area while they are in the midst of their battle with cancer.

We will meet in the Panoz parking lot at 10:00 AM and go over the instructions and answer questions then we will start the cars on their way. Please RSVP with me so I'll know how many rally packets and strip maps to prepare. The rally will last approximately one hour and then we will head for lunch in the Gainesville area. Several non JCNA teams have already run this stage of the rally and they all reported having a blast on the country roads around Talmo and Lula. I know you will too

The operation of the plan is simple. First go through the normal purchase procedure at the dealership. Then show your JCNA membership card and dealer will apply the discount. Jaguar will take care of crediting the dealer.

The program is intended to be permanent, but eligible vehicles and amounts will be examined quarterly and adjusted as necessary. This will ensure that as inventory is exhausted and new cars are launched, the program will apply to the Jaguars currently available.

Watch your mailbox. Jaguar will send all eligible JCNA members a letter to announce the program. The letter will include a certificate number denoting your eligibility.
