August 13th Summer Drive Atlanta British Car Fayre in Norcross September 10th

LETTER FROM THE PRESIDENT

I finally got my hot lap at the Atlanta Motorsports Park. What a wonderful day to be a car enthusiast. I have never owned a Ford product or even driven a Mustang. I was raised in a General Motors town and dad was in the tool & die business. I was afraid to bring home my first foreign car, a Jaguar! But wow, did Ford do it right. Light snacks, fruit and shrimp with water and soft drinks all day long. A little Ford orientation/history with emphasis on racing by young enthusiastic dudes. They even had a working original 1965 Shelby GT350. But down to the nitty gritty, eight hot rod Mustangs, either Shelby 350R or Shelby 350 trac- pak. We're talking 526 flat plane horse power

Innovation In The Blood(hound) *From Tata Motors*

Creating the world's fastest land vehicle presents unique design and build challenges - and Jaguar was keen to flex its muscles by coming on board as official innovation partner

Autumn saw the unveiling of the Bloodhound SSC, a supersonic car that will be used to attempt to break the world land-speed record in 2016. The 13.5m-long vehicle, powered by a Eurofighter Typhoon jet

engine and a hybrid rocket, is the product of eight years of work by the Bloodhound Project team and includes technology from all over the world — including Jaguar Land Rover.

Royal Air Force pilot Andy Green with the Bloodhound SSC, a supersonic car. Jaguar Land Rover is a key collaborator on the Bloodhound SSC

August 13th Summer Drive

Submitted by John Baxa

There's been a late change to our events calendar. **We will not** be visiting the Blue Willow Inn on Saturday, August 13th. Instead Dave Kirkman is putting together a summer drive for us to enjoy.

Details aren't quite ready yet, but we'll let you know by email as soon as the plans have been firmed up.

Atlanta British Car Fayre in Norcross September 10th

Submitted by Car Fayre Committee

It's time to start planning for the Atlanta British Car Fayre. This year's featured marque is Rolls Royce.

Saturday, September 10th
10:00am - 3:00pm

South Peachtree Street
Historic Downtown Norcross

About 400 British cars and motorcycles will be on display. As the proud owner of a

British car or motorcycle you are invited to the 16th Annual Atlanta British Car Fayre. Early online registration cost is \$15 per car, \$10 additional cars and \$10 per motorcycle.

We try to plan ahead and set aside a specific area for all the same marques, based on the number of pre-registrations. Please register early so we can determine the best parking areas to accommodate everyone.

Thank you if you have already registered!

By popular request we are repeating the British-style Car Boot Sale that we added last year.

Visit our website at www.atlantabritishcarfayre.com for event details and to register your vehicle for the Car Fayre or be a vendor in the Car Boot Sale. Please invite your family and friends for this

Innovation In The Blood(hound)

From Tata Motors

President's Letter from page 1

and giant, great brakes! We each got three laps with a pro in the passenger seat and then that hot lap with him driving the way you should. Red line was 8200 RPM, but I just couldn't keep my foot in it that long. We finished with a little sales/question period and were even given a take home token worthy of the Man Cave. I wish more of our club members could have enjoyed the hospitality of AMP. I'm waiting for my next invite, maybe this time an F Type or Aston Martin. Keep the shiny side up.

John W. Hollier

As well as assisting with the development of the cockpit design, one of Jaguar's biggest challenges was working alongside the Bloodhound Project's chief engineer, Mark Chapman, to provide and integrate a 5.0-litre, 550PS, supercharged V8 engine into the Bloodhound SSC to drive the rocket's oxidiser pump.

This engine, which powers the fuel pump of the Nammo rocket system, is the same as that in one of the latest Jaguar cars — but the Bloodhound engineers faced some unique technical challenges with incorporating it into their own performance vehicle.

Atlanta British Car Fayre in Norcross September 10th

Submitted by Car Fayre Committee

fabulously British day! For easier parking a free shuttle bus will run from several nearby locations.

The Sunbeam Tiger and Sunbeam Alpine East groups have chosen to hold their annual combined United 35th meeting and show this year in Georgia (Norcross) and are joining us for our Car Fayre on Saturday, September 10th. All of the Sunbeams will be parked in the area around Thrasher Park, across the railroad tracks. While they will have their own schedule of events and awards, etc. our Car Fayre visitors are encouraged and welcomed to hop over the tracks and view a fantastic display of Sunbeams. If you are the owner of a Sunbeam you may want to register with them direct and participate in their planned events from Thursday, September 8th thru Sunday September 11th. Check out their website or <http://atlantabritishcarfayre.com>.

Each year we select and support a charity, and this year we are again proud to support the Amanda Riley Foundation. Last year with generous donations from our on-line registrants and sale of raffle tickets at the Car Fayre we were able to send \$2000 to the Foundation. Barbara and Steve Riley founded the organization in memory of their daughter, Amanda, who was diagnosed with cancer at the age of 16. She bravely fought for her life for 405 days before passing in 2010. The Foundation works with children and families in the Atlanta area while they are in the midst of their battle with cancer. For more information on the Foundation please visit the Amanda Riley Foundation website. We feel sure you will agree with us that this is a charity very deserving of our

support. Please help us increase our donation this year by adding a few extra dollars to your pre-registration form or purchasing a raffle ticket at the Car Fayre. Every penny donated helps a child in the Atlanta area with cancer.

Carolina Jaguar Club Concours Little Switzerland

Submitted by John Hoffman

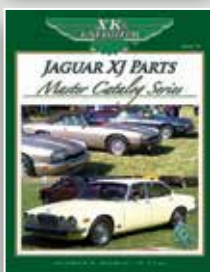

This was my first visit to Little Switzerland and it did not disappoint. Despite the intermittent thunderstorms, the heavens gave us a three hour window to get the judging done.

At least everyone got a lot of practice wiping down their cars.

Two of our members were awarded class trophies; Phillip and Karen DiTrollo for their 2004 XK8, Rick and Marie Dobson for their 2011 XKR.

The class winner in C1/PRE (pictured) was Julien Brosseau, with his beautiful 1950 Mark V DHC. It also won the People's Choice award and the award for most distance traveled. Julien came all the way from Ontario Canada.

NGJC Well Represented At 2016 Highlands, NC Motoring Festival

Submitted by Dave Kirkman

The Highlands, NC Motoring Festival, a three day event that features a Mountain Tour on Friday, a car show on Saturday, and a "Butts on the Bench" car and coffee on Main Street in downtown Highlands on Sunday morning, attracted a good number of club members again this year. Brian and Linda Hernan, W.L. and Carol Wagnon, Chuck and Vicky Beam, James Strickland and David Kirkman all showed their cars at the Saturday car show. James Strickland and Billie Leonard also participated in the Friday Mountain Tour. Roy Cleveland and Joe Newell did not enter cars but drove up for the day as did Philip and Pualani Carroll. Dr. Frank and Gayle Mitchell were part of the

organizing committee again this year and helped with the Saturday show that was well attended with over one hundred cars in eight classes. The show is judged based on a five point system for exterior, interior, motor and over all presentation (at least that is what I think the judges judge on). Brian Hernan's 1972 Jaguar Saloon and David Kirkman's 1969 Jaguar E-type took first place in their respective classes. Highlands is an easy drive from Atlanta and their motoring festival is definitely one to consider attending in 2017.

14th Annual North Georgia Jaguar Club Concours d'Elegance

Submitted by John Hoffman, Concours Chairman

The North Georgia Jaguar Club 14th Annual Concours d'Elegance will be held on Sunday, October 16th at the Chattahoochee Country Club in Gainesville, Georgia. As in years past, this will be a JCNA nationally sanctioned Concours open to all classes in Champion, Driven and Special Divisions. Jaguars may also register in Display Only. Our teams of judges are highly trained and well known for fair and consistent evaluations.

If you have attended our Concours in the past I'm sure you'll agree that the Chattahoochee Country Club is one of the best Concours venues in JCNA. The Concours field is paved with a parking area for trailers and the club facilities are first class. As before, Hennessy Jaguar has been kind enough to sponsor a wonderful brunch; two of which are included with your registration fee. Additional brunches may be purchased if you decide to bring additional guests. I guarantee you will not go away hungry!

In addition to some of the best cars from our club, other southeast Jaguar clubs are also in attendance. They usually come in on Saturday night October 15th and stay at the Holiday Inn in downtown Gainesville where have obtained a special room rate of \$100.00. Reservations can be made by calling 770-531-0907, reference the North Georgia Jaguar Club to obtain the special rate. That evening we get together for a reception and small plate buffet dinner at Luna's Restaurant. All club members are invited to the Saturday night event and can stay over at the hotel.

The Concours is not just a car show but much, much more. It is a time all of our members and guests can gather to see some of the best examples of Jaguars in the club and southeast. You do not have to show or display a car to attend.

The registration form can be found at www.ngjc.us. Click on the Calendar and under the October 16th date will be a link to the form.

Innovation In The Blood(hound)

From Tata Motors

“The acceleration forces in the Bloodhound SSC are extremely high,” says Peter French, chief engineer for powertrain systems at Jaguar Land Rover. “We had to design a dry sump attachment in order to keep oil flowing around the engine when G-forces at supersonic speed are moving the oil from the production oil pick-up point.”

Fitting the complete pump system with dry sump was a big challenge. “We also needed to build a fail-safe clutch system which can disconnect fuel to the hydrogen peroxide pump if SSC has a hydraulic system failure,” Mr French adds. “In addition, the space in which the engine is fitted — like everything in the Bloodhound SSC — is very confined. So every part needs to be minimised to prevent unnecessary weight. That’s why we chose a chain drive system instead of the original proposal for a gear drive, using our learning from the all-wheel-drive system employed on the Jaguar F-Type.”

The Bloodhound SSC will be tested at low speeds at Cornwall’s Newquay Airport before making its way to South Africa’s Hakskeen Pan desert where, on October 15, 2016, Royal Air Force pilot Andy Green hopes to surpass his previous best speed by reaching 800mph — 40mph above the speed of sound and 37mph faster than Green’s current land-speed record.

The team then hopes to return in 2017 to see if it can get the Bloodhound SCC to reach its designed maximum speed of 1,050mph — that’s a mile in just 3.6 seconds.

Safety first

Jaguar is also supporting the Bloodhound SSC’s record attempts by providing three high-performance, rapid-response vehicles: an all-wheel-drive Jaguar F-Type R Coupé and two Jaguar XJRs.

“The XJRs have been modified at Jaguar’s special vehicle operations workshop,” says Peter French, chief engineer for powertrain systems at Jaguar Land Rover. “Jaguar engineers have created innovative solutions to allow installation of extensive emergency equipment, provided by Angloco. The bespoke fittings allow a wide range of essential equipment to be held securely during driving, but remain easy to access if required.

“A unique roll cage was also created to ensure the Bloodhound support team and its equipment are as safe as possible when driving at high speeds on the loose desert surface.”

Added JCNA Member Benefit Discount on New Jaguars to JCNA Members

The operation of the plan is simple. First go through the normal purchase procedure at the dealership. Then show your JCNA membership card and dealer will apply the discount. Jaguar will take care of crediting the dealer.

The program is intended to be permanent, but eligible vehicles and amounts will be examined quarterly and adjusted as necessary. This will ensure that as inventory is exhausted and new cars are launched, the program will apply to the Jaguars currently available.

Watch your mailbox. Jaguar will send all eligible JCNA members a letter to announce the program. The letter will include a certificate number denoting your eligibility.

JCNA Member Purchase Program

**XF Models \$1,500
XJ, XK & F-Type \$2,500**

This program is not transferable and is available only to JCNA members in good standing. Membership verified via prior fiscal year roster (Dec 31). Cannot be combined with A/Z plans.
