August 1st, Concours 2020 Registration Opens August 15th, Concours Judges Training October 25th, Club Concours

LETTER FROM THE PRESIDENT

All three of our monthly drives have been well attended as we safely socialized during these strange and troubling times. Hopefully these drives have not only given us a chance to enjoy our Jaguars but lifted our spirits too as we visit with other club members. With the hot Georgia summer setting in we will not schedule any club events for the month of July.

Due to concerns about extended travel involved for many participants at the AGM, scheduled for Columbia, SC in August and the IJF, scheduled for FL the first of November, have been cancelled.

Our club JCNA Concours is scheduled for Sunday, October 25 at the Chattahoochee County Club, on lake Lanier, just outside of Gainesville. This is our best attended event every year and we are currently making preparations with social distance guidelines in mind. Club Concours V.P. Terry Mathewson has an article in this month's newsletter with the preliminary details and registration information.

Our club judges training is set for Saturday, August 15. Philip DiTrolio, our

Concours 2020 Registration Opens August 1ST!

Submitted by Terry Mathewson

The North Georgia Jaguar Club will be holding our annual Concours d'Elegance on Sunday, October 25, 2020 at the Chattahoochee Country Club, which is located at 3000 Club Drive, Gainesville, GA 30506, on the shores of beautiful Lake Sidney Lanier. There are a few changes this year, and some details yet to be determined, so please read on!

Lunch options are being explored as we consider developments with the COVID-19 situation, and will be announced at a future date. We are striving to create a dining situation where everyone can feel comfortable and safe, yet keep the event as nice as we have always experienced at the Country Club.

Cars will be judged and awards given in Championship and Driven Divisions, but Display only cars are especially urged to attend! Due to limitations on qualified judges, and our desire to stay within a specific time frame to complete judging, there may be limits on the number of cars within each class that we will be able to judge. So, get your registration in early! There will be

more information about judging coming soon! Registration opens August 1, 2020, and will close October 1, 2020. The following link will take you to the online entry form. (Please note, for a variety of reasons we have elected to do all registration and payments online this year!)

NGJC Concours d'Elegance Update Details on Judges Training August 15th

Submitted by Phil DiTrolio

Mark your calendar! Preparations are well underway for our club's most attended event, the NGJC Annual Concours. This year it will be held on Sunday, October 25th and thanks to Roy and Linda Cleveland, it will again be held at the beautiful Chattahoochee Country Club located on the shores of Lake Lanier. For those of us who have previously attended this event, we know how fortunate we are to have access to this remarkable club and all it has to offer. Our concours is the perfect opportunity to see old friends and meet new ones, all

while experiencing a wide variety of Jaguars all shined up and ready to purr. Schedule and entry information will be available in the near future.

That said, NGJC is holding judges' training on August 15th. This will be held at **Georgia Expo located at 3355 Martin Farm Road, Suite 100 Suwanee, GA, 30024**, conveniently located off I-85 at Exit 111. Training will run from 10:00 to approximately 3:00 and will be taught by our club president, Dave Kirkman.

Judges' Training WANTED: Apprentice Judges

*Submitted by
Dave Kirkman*

Come on out and join our Concours judging crew. If you have never served as a JCNA judge this is an excellent time to start as an APPRENTICE JUDGE. Sign up with Philip DiTrolio, attend our club's Judge's Training on Saturday, August 15 and Philip will assign you to a judging team to observe the judging process at our Concours.

This is also an excellent way to learn about your Jaguar along with being introduced to the fascinating history that surrounds many of the Jaguar models.

Renew Your JCNA Judge License

Several of our longtime judges need to renew their JCNA license to participate in judging at this year's Concours. If you have questions on your judging status you can contact me or Philip.

Certified JCNA Judges

We really need you to attend the judge's training to keep current on rule changes. We are also going to review Philip's National Champion XKR and Terry's and my Series II E-types to show the differences in a early OTS and a FHC.

NGJC Concours d'Elegance Update Details on Judges Training August 15th

For first timers, completion of this session will give you a better understanding of your marque and put you well on your way to becoming a certified Jaguar judge. Lunch will be provided, so if you are planning on attending and have not responded yet, please let me know by August 7th.

This year we would like to have four to five Jags from several periods available for practice judging. Contact me if you would like to bring your car. This is a great opportunity to put another set of eyes on your car if you're planning on entering the concours.

This year's Concours promises to be very well attended. I am expecting a large number of cars from our club as well as many of the surrounding clubs. As many of the other Concours having been canceled, options are limited for those who are seeking national points. In keeping with JCNA rules, all three groups will be represented - Champion, Special and Driven - so there is something for everyone.

In order to put on a quality Concours, we need our members to help out. Currently, we still need twenty-five additional judges. We also need fifteen other volunteers to staff various positions, none of which require any special skills. If you haven't signed up yet, please contact me and let me know how you can help.

Let's all get together to make this year's Concours our best one yet!

Jaguar Puts The XK Engine Back Into production

26th June 2020

Jaguar Classic, who describe the operation at Ryton on Dunsmore as, the official source of authentic cars, expert services, genuine parts for classic Jaguar enthusiasts worldwide, has reintroduced the 3.8-litre XK engine block. The engine, as fitted to many coveted Jaguar saloons and sports cars of the 1950s and 1960s, including the legendary E-type had been unavailable new for more than 50 years. The great news is that now, these unique brand-new XK engine blocks are now available again.

Recreated to exact original specifications the brand-new cast iron engine block is a direct replacement for the 3.8-litre six-cylinder units originally fitted to the XK150, XK150 S, MkIX, Mk2, MkX, E-type Series 1 and S-type.

Subject to providing documentation which confirms proof of vehicle ownership, customers can choose to retain the serial number from their original engine block, which will be stamped on the new casting with an additional asterisk denoting the new block is a replacement item.

Alternatively, the new block is stamped with a new unique serial number.

New 3.8-litre Jaguar XK engine blocks are priced £14,340 each, including VAT, and come with a minimum 12 months Jaguar parts and accessories warranty and certificate of authenticity, exclusively from Jaguar Classic.

This item replaces cylinder block casting numbers C16020, C17567, C17200/1, C19292, C19983, C22290, C20012, C22250

Jaguar Classic advise that the XK blocks are to be made available globally and will be covered by Jaguar's standard parts and accessories warranty. The Jaguar parts and accessories warranty period is 24 months for UK and Germany, but will not cover modified engines or vehicles used for racing purposes.

British Motorcar Day Cancelled

Due to the uncertain nature of our current national health situation the Atlanta British Motorcar Day organizers have decided to cancel this year's show. JCNA Annual General Meeting Cancelled

Submitted by Les Hamilton, JCNA President

Over the past week or so we have been reviewing the status of the 2020 JCNA wide events.

Annual General Meeting

Today, after a long discussion with the hosts and a review of the attendees, I have decided that the in-person AGM in Columbia is not feasible and so is suspended.

We will instead, hold a focused "AGM" by video conference call starting at 8am (PDT), Saturday, August 22nd.

The video call will focus primarily on the most important JCNA matters and the committee status reports will be distributed by the JCNA Web site. Critical motions that require a member vote will be voted on by Roll-Call vote and ratified at the next in-person AGM.

The reasons for making this decision not to meet in person are:

1. We could probably have organized a quorum for the AGM using delegate proxies but overall participation

would have been minimal and the quality of the business meeting would have been greatly diminished.

2. With the extraordinary precautions that are being taken by the venues, the meeting would have been as safe as most other public spaces, but the travel to and from the event is likely not as safe and the last thing that JCNA would want to do is put our members at increased risk of infection.
3. We cannot depend on the situation not worsening and administration not reversing the rules on travel, meeting sizes, and business openings in the next 45 days.

I find the decision very regretful given the great amount of planning and preparation work expended by Rob Thuss with the JSSC members and George Camp with the Coventry Foundation. I was greatly looking forward to seeing each of you, Columbia, and the JCNA Archives and the Coventry Foundation.

October 2020 International Jaguar Festival Postponed Until Next Year

Submitted by Les Hamilton, JCNA President

The IJF Board has met this week and yesterday voted to postpone the 2020 IJF until 2021.

Once again there has been a great deal of planning and work from the Southwest Florida Clubs towards making the 2020 IJF a showcase event. The reasons for postponement are similar to the AGM decision and a concern that a reduced turn out for the events would

detracted from the quality of event that is expected of JCNA.

I am very proud of and grateful for the great efforts and contributions from JSSC, the Coventry Foundation and the South Florida Clubs.. Thank to each of you. The 2021 IJF is with the same host club, venue and schedule of events. The latest overview summary of the

festival event is below. Please reference our club website for more details. <https://www.jaguarclubofswf.com/>

If you have any questions or comments please let me know at President@JCNA.COM

Thank you for your support and stay safe.
