Nashville Overnight Excursion - August 4th

Submitted by John Baxa

It has been a long while since the club has put together an Overnight Drive to a fabulous destination. Have we got a great one for you this year . . .

Itinerary:

Drive over Thursday August 4 and check into the Gaylord Opryland Resort & Convention Center for one night. Double occupancy rate including all room taxes, resort fees and self parking \$342.00. Subtract \$20 for single occupancy.

That evening dinner and a show on the General Jackson Showboat (\$90.65 per person). Hotel provides transportation to and from this event. Friday checkout, visit car museum. Return home

The General Jackson is the quintessential way to have a unique taste of Nashville skyline views, fabulous entertainment and a delicious meal. The discounted rate for our group is \$90.65 per person.

2022 Judge's Training Update

Submitted by Philip DiTrollo, Chief Judge

Judges' training is scheduled for Saturday, August 20, 2022. This year we are exploring the option of offering training both in-person and virtually via Zoom. Your feedback is greatly appreciated, so feel free to contact me at jaguar@georgiaexpo.com and let me know which option works best for you.

New for this year: the long-promised changes to the rulebook have finally been approved, and we will now use the 2022 Rulebook. You can access it by following the Event/Concours link on the JCNA home page. In addition to the 2022 Rulebook, you will also

find the Significant Rule Change Synopsis, as well as the Refresher Training PowerPoint presentation. Please invest the time to study these three, as doing so will make better judges of us all!

I will provide further updates as we get closer to the training date; in the meantime, I would like to hear from you as to how we can make this year's training a more beneficial experience.

Remember, we need approximately 22 judges to put on a Concours, so even if you have never participated in the past, now is a great time to step up!

LETTER FROM THE PRESIDENT
Concours Judges let's get the test out of the way!

The 2022 Judges' Concours Rule Book and Test can be found on this link <https://tinyurl.com/ycknzyta>. This is an OPEN BOOK test. By taking the test now and sending it off to Philip at jaguar@georgiaexpo.com we can concentrate on other finer points when we get together August 20th.

Sponsorship opportunity for our club. It is important for a car club to have the support of a local dealership. The new South Atlanta Jaguar dealership in Union City has shown an interest in sponsoring us. We need your help by answering a few questions about your experience with Jaguar dealerships in Atlanta. This will give us some talking points when we meet with the dealership. You can find an online questionnaire by going to: <https://rcmaury.wufoo.com/forms/zbwj76o1b1ywtv/>. Or look on page 9 to printout in this issue with mailing instructions for the old schoolers among us.

Registration for the 2022 Atlanta British Car Fayre is Now Open!

This is my last year as your president. With 6 months to go now it would be a good time for someone to step forward and shadow me for the rest of the year.

I will continue to work on getting the newsletter out with John Baxa.

All the best,
John

Jaguar Unveils Stunning E-Type Restoration During Queen's Platinum Jubilee Pageant

By Andrew Krok, MSN

Jaguar Classic is the corner of the British automaker focused on breathing new life into vintage Jaguars of all shapes and sizes. We've seen some impressive metal (panel-beaten, no less) leave its doors in the past five years, and its latest creation is no less a sight to behold.

Jaguar on Tuesday unveiled its latest Classic creation, a one-off 1965 Series 1 E-Type Roadster, as part of the Queen's Platinum Jubilee celebration. The owner who commissioned this car had some very specific requirements, and Jaguar knocked them out of the park.

First, the owner wanted the "new" car built from an E-Type Roadster from the year of his birth. Jaguar managed to find a donor E-Type built just two days after the owner was born. The vehicle was basically rebuilt from the ground up, and the bodywork was painted in a deep blue reminiscent of the Union Jack, while the bright red interior pays homage to the classic British pillar box, a kind of mailbox unique to the United Kingdom and overseas British territories.

Aesthetics were not the only thing Jaguar Classic focused on. The division also went to work on the power train, replacing the original 4.2-liter inline-6 gas engine

with a beefier 4.7-liter unit. That mates to Jaguar Classic's custom five-speed manual transmission, which was built to slot into E-Types without chassis modifications. Jaguar further strengthened the car's handling with wider wheels and improved suspension components, while new headers and a new exhaust should have it sounding mighty fine.

Jaguar Classic made sure to throw some additional 21st-century love in the car's direction, too. LED lighting will make the car much easier to spot from a distance. Inside, the automaker installed its Classic Infotainment upgrade, which places a small telematics display in the old radio slot, giving the car navigation and Bluetooth capabilities.

We have seen many wild creations from Jaguar Classic in the past. In 2016, the automaker announced that it would build 9 XKSS models to 1957 specifications, each fetching a price tag around \$1.5 million. In 2018, we saw the company's modernized take on the D-Type, followed by the all-electric E-Type Zero.

British Motorcar Day - What an amazing show!

Submitted by the BMCD Committee

Thank you to everyone that attended the show May 22nd. Considering the week long threat of rain, the day turn-out was fantastic. The morning weather quickly turned into an absolutely stunning day. It was a perfect day and location for such an amazing show. This was our first year in the new Suwanee Towne Center location and it was a hit! There was plenty of room for everyone and there is room to grow even more. The local shops were busy with business related to the car show and happy to have the extra patronage.

There were so many amazing cars and experiences that it is hard to call out just a few as standout. We would like to thank all of our hard working volunteers who supported the show. There is no way we could have pulled it off without their support.

Also thank you to everyone that preregistered for the show. I know it is a lot easier to hedge your bets with the weather and just show up the day of the show, but with over 140 preregistered cars, it made the morning check-in significantly faster and easier for all, and made it much easier for your volunteer organizational team to plan ahead.

Want to share your pictures?

If you would like to share some of your favorite pictures from the show, please email them to us here at atlantabritishmotorcarday@gmail.com and we will be sure to add them to the photo gallery of the 2022 show pictures we will be building for the website.

Great to see everyone! Until next time...

Ivan And Myrna Ruiz Italian Automobiles Featured At Pirelli Exhibit At The Savoy Museum

Submitted by Dave Kirkman

Pirelli Tires is celebrating their 150 year anniversary in 2022. As part of this celebration they are displaying exceptional examples of several of the famous marques that came equipped with their tires including Alfa Romeo, Ferrari, Iso Grifo, Lancia, Lamborghini, and even the American Chevy Camaro (yes, in 1967 the Camaro RS came with special Pirelli tires).

Club members Ivan and Myrna Ruiz loaned three of their cars; their 1962 Lancia Flaminia GT Touring Coupe, 1967 Iso Grifo, and 1970 Maserati Ghibli Spider as part of this exhibit.

Pirelli's North American Headquarters is in Rome, GA (a logical tie in for an Italian tire manufacture to choose a city by that name and I am sure Rome, GA has far better weather than Rome, NY!)

The exhibit runs through September 4th, and we will schedule a club outing soon to visit and help celebrate Pirelli's 150 years.

For Sale: 1972 XJ-6 Series 1. Owned 40+ years.

Offered By Brian Hernan

Total mechanical restoration 1986-89 to high performance standards with upgrade to British specs (2" S.U.s, etc.) at approximately 80,000 miles. Interior restored 1992 with Connolly magnolia leather. Dash and door caps were done in Brazilian rosewood. Exterior redone in 1993. Same condition today at 150,000 miles. It stays in my air conditioned office when not being driven. Maintained to the highest standards available. Driven regularly and is in shows often. The last trophyed show: The Highlands Motoring Festival, Highlands, N.C., June 2021.

Sale includes Jaguar Heritage Certificate, 50+ trophies, some original artwork and records from about 1990 on. Also includes spares,

flannel car cover, seat covers, original steering wheel (Nardi s/w is on car), recently installed premium am/fm/cd radio with Bluetooth.

This Jaguar is stunning and is recognized as one of the best, if not the best, in the country, if not the world. If one wants the ultimate Series 1 as a driver, this can't be beat. This is not a JCNA show car (notwithstanding it was a class 10 North American champion.), it has too many non-original improvements. It is realistically priced at \$29,800.00. It would cost 2 or 3 times that much to duplicate it. ONE OF A KIND. Brian Hernan, 404-275-8200, near Atlanta.

What A Great Day For A Picnic!

Submitted by John Baxa

Once again, we had a great day to get together at the Yates' residence for a poolside BBQ picnic. We've been very lucky to have great weather for these events through the years

and even luckier still to have a great venue to gather among friends both old and new.

Our thanks again to John and Robbie Yates for hosting this event at their beautiful home in the country.
