March 25, Saturday Daytime At The Savoy

April 16, Sunday, Spring Drive

May 21, Sunday, Drive To Brasstown Resort

Letter from the President

We've had a bit too much British weather in February. I'm looking forward to warmer, drier weather in March, so we can drive without raindrops falling on our heads or hard tops, as the case may be.

Thanks to Dave Kirkman for organizing the Valentine's Day lunch at the Pearl Lian Restaurant in Duluth—great meal and service. Debbie and I got acquainted with a number of long-standing members. Everyone was very friendly and welcoming!

We had a great turnout for the Gateway Classic Cars event in Alpharetta on Sunday, February 25th. Although it was cool and cloudy all day, the rain held off. I counted 25 Jags, split about evenly between NGJC and AJS. Since Jags were the featured marque, we parked in front of the main entrance. There was a lot of time for ogling, socializing, and story-

Drive To Brasstown Resort Sunday, May 21

Submitted by Dave Kirkman

The drive to the Brasstown Resort, just outside Young Harris, is one of our club's most popular outings. We will gather in the back parking lot of the North Georgia Outlet Mall at 10:00 am with a leave time of 10:30. This will be an RSVP event as I will make reservations with the resort for their scrumptious lunch buffet. Complete details including RSVP date and buffet price will be in the April newsletter.

Please welcome new members

Daytime Visit To Savoy Automobile Museum, 11:30, March 25

We have moved from an evening dinner event to a daytime lunch event to better meet the needs of our club members and we've reduced the per person cost accordingly.

Submitted by Dave Kirkman

This is an excellent opportunity for our club members to visit the Savoy Automobile Museum, enjoy lunch in a private dining room followed by a private tour of the British cars assembled for the "British Invasion." Several of the owners will join us to show us their concours winning cars too.

The concept behind this exhibit is to feature some of the special models from several of the British marques that helped revolutionize the sports car craze here in America in the 1950's and 1960's. Those on display include the following: 1949 Jaguar XK

120 (Alloy); 1950 Allard J2 Roadster; 1950 Alvis TB 14 Roadster, 1952 Arnolt MG Coupe, 1953 MG TD, 1954 Arnolt Bristol Bolide,

1956 Austin Healey 100/4 M, 1956 MG A, 1962 AC Ace Bristol, 1962 Lotus Elite, 1963 Jaguar E-Type FHC

The Savoy Automobile Museum

opens at 10:00 am and your admission, along with lunch in a private dining room, and the tour is included in the \$35.00 per person price. Go to our website and click on the "Calendar of Events." Scroll down to the March 25 Savoy Event and Click on the Register Here button.

telling. Because we had had over 10 Jags, Gateway paid us \$200, which we split evenly with AJS. Whoever heard of a car show host paying a club to show their members' cars? Thanks to Gateway for the coffee, pastries and T-shirts.

If you haven't already registered for the Savoy Automobile Museum tour and lunch on Saturday March 25, please do so at your earliest convenience. Dave Kirkman has arranged for some of the owners to be there and tell us a little bit about their unique car. You won't find a better collection of rare classic British cars anywhere in Georgia.

You'll find more details elsewhere in the newsletter and on the website.

Hagerty Introducing Enthusiast Carbon Offset Program

Hagerty has launched a program geared toward saving driving and car culture for generations to come. A big part of saving driving means saving the beautiful, scenic landscapes that help make driving the memorable and meaningful hobby that it is.

The fact is, driving the vehicles we love produces carbon dioxide, which has a negative impact on the environment. And while it's true that collector vehicles represent a tiny fraction of the emissions generated by the global transportation sector, Hagerty is committed to helping steer the future toward a cleaner, healthier planet where we can continue enjoying the things we love — like getting out on the open road.

That's why the company is introducing the Enthusiast Carbon Offset (ECO) program. Thanks to a partnership with Chrome Carbon, perhaps the only carbon reduction and reforestation program started by and for automotive enthusiasts, they're offering our car lovers the

Make your sandwich selection and finalize your reservation.

Given the anticipated turnout my suggestion is to plan on meeting at 11:30 in our assigned dining room to visit prior to lunch at noon. Plan on arriving at your leisure and visiting the other exhibits on display at the Savoy prior to lunch and our tour.

Project car. The guy I purchased this from pulled the engine and transmission for a Chevy swap. Sold them twenty years ago, and the project sat for 20 years. I bought the car with the intention of restoration, but I have decided it is more than I am interested in

tackling. The car needs paint, interior, etc. It is a project. There is some surface rust here and there. The driver's side floor pan needs replacement. There is some rust on the driver side rocker. Boxes of new parts and removed parts included. The previous owner

had already purchased some of the seals and weather stripping new. A 1985 4.2 engine is included with the car. Its condition is unknown but complete. Asking \$4,500 OBO. Contact Bart Boyd at 423-584-9370.

The JCOF invites you to join us for the 35th annual Concours at the Alaqua Country Club, 2091 Alaqua Drive, Longwood, FL 32779. The host hotel has changed to the Marriott Courtyard, 135 International Parkway, Lake Mary, FL 32746.

The first accomplishment of our 2023 Officers and Steering Council members was to cancel and secure a full refund of deposits to a very exclusive venue in Ocala. They then secured a more centrally located and more "comfortably priced" venue at the Alaqua Country Club in Longwood.

A different Marriott than where we've stayed in the past was selected because it is closer to Alaqua Country Club and offers: specially discounted room rates to JCOF Concours attendees.
