### PRESIDENT'S CORNER

I hope everyone has been taking advantage of this great weather here in North Georgia and, if you're looking for something to do, just take a look at our club calendar in this newsletter. If the cat hasn't been out of the garage for a while now would be a good time to give her a thorough inspection -- belts, wires, fluids, tires, etc. If that gas has been in there since Christmas you need to run as much out as you can and refill with fresh. Also, the JCNA 2012 Concours season starts this month and I've sanctioned a total of 49 events thus far including six in our region. You can find the complete JCNA calendar of events on their website [www.jcna.com](http://www.jcna.com). Just click on the Concours tab and then on the calendar. If you haven't already, you may want to consider showing your car and/or becoming a judge. We have a really good training program in the NGJC and it's not as difficult as you may think. Plus it's another neat thing to do with your car. We will be holding a judging tech session this August at the Sike's home and you can learn more about it there. Our next event is the British Motor Car Day on May 12th at Berry College. It is a great venue with just about every British marque on the field...and the top of this list is, of course, our Jaguars! We look forward to seeing all of you there.

Early indications are that this year's Walter Mitty event April 27-29 broke last year's record of 10 thousand attendance by a pretty good margin. The weather was

Please plan on joining the twelve other single mark British motor car clubs in the greater Atlanta area in the twenty-ninth annual British Motorcar Day celebration. This is the one charity event that all the clubs support and a good showing of Jaguars is always a pleasure. This is also the last year that the event will be held at Berry College before returning to the Atlanta area next year. Food and drink are available on site. Registration form <http://www.ngjc.us/BMCFORM.pdf>. Call Dave Kirkman if you need additional information.

## Sixth Annual "Jags and Friends Picnic" John's Creek Environmental Center Saturday, June 16, 2012 10:00 a.m. until 3:00 pm

*Submitted by Dave Kirkman*

The North Georgia Jaguar Club's "JAGS AND FRIENDS PICNIC" has evolved into one of our club's favorite events. What better way to spend a late spring day than with good friends, wonderful cars, and a catered lunch? This event is unique on our annual calendar as club members are encouraged to invite a friend or two that have interesting cars to come and spend the day with us. Please note that the picnic will be in a new location this year (see attached map). Brian Hernan has made all the arrangements again for us and will include catered barbeque sandwiches, cold drinks, and dessert. Please see the attached menu for your and your guest's food selections and Brian's return address. See you there!

## Drive To Wolf Mountain Winery Saturday, June 2nd

*Submitted by Dave Kirkman*

By far one of our most popular destinations is the Wolf Mountain Winery located just north of Dahlonega. Mr. Karl Boegner, the owner of Wolf Mountain Winery, and all around car guy has been a good friend of our club for many years and is looking forward to our visit. He will welcome us again on Saturday, June 2 with a buffet style lunch served in the new "Sparkling Room". The cost will be around \$15.00 per person with wine extra of course. We will gather behind the Wendy's just across Hwy 53 on GA 400 (Wendy's will be on your right just after you cross Hwy 53) at 9:30 AM with a leave time of 10:00 AM for the hour-plus drive to the winery on the beautiful back roads around Dahlonega. PLEASE let me know by Thursday, May 31, if you know you are going so I can let Karl plan on food for our group. Call me at 770-886-7435 or email [kirkmandav1@aol.com](mailto:kirkmandav1@aol.com). This is a rain or shine event!

## Highland Motoring Festival Highlands, NC. July 13–15

*Submitted by Dave Kirkman*

The past several years many of our club members have enjoyed the Make-A-Wish charity car show in Cashiers, NC. Our good friend KB Pearce has informed us that the car show will not be a part of this years Make-A-Wish event.

However, KB has forwarded information about another car show that will be of interest to our club members. The Highlands Motoring Festival is being held the weekend of July 13, 14, and 15. The event organizers are expecting 150 cars and have a full weekend of events planned. There will be a reception on Friday, the car show on Saturday with a planned shopping outing for the ladies, an awards banquet on Saturday evening and a rally on Sunday morning. Entry fee for the car show is \$25.00 with proceeds going to the Highlands-Cashiers Humane Society. Complete information is at [www.highlandmotoringfestival.com](http://www.highlandmotoringfestival.com). Hotel information is at [www.highlandschamber.org](http://www.highlandschamber.org). Brian Hernan is our club contact for this event. He can be reached at 404-275-8200 or [brian@hernans.com](mailto:brian@hernans.com).

cooperative for the most part even though showers cooled things down a little Friday evening. Part of the reason for the success of the Mitty in recent years goes to Classic Motorsports Magazine, and publisher Tim Suddard, who have been the title sponsor since 2004. They have really become a marketing partner with Historic Sportscar Racing (HSR), the organizer of the historic race series. Their promotion and sponsorship of these events has helped put some life back into historic racing.

There is something for everybody at these weekend-long events, from open wheel Formula cars, to old Triumph and MG 60s cars, to Shelby Mustangs, to IMSA GT cars from the 80s and 90s. Jaguars are included, too, though my observation was that Jaguar participation wasn't as strong this year as in years past, especially among the spectators. They

have maintained a policy of an open paddock, so you can stroll through the area and talk to the people that put and keep these cars

on the track.

This year the Triumphs were the stars and I had the opportunity to participate as a passenger, (though I kept my Jaguar hat on) as my brother David drove his '68 Triumph TR-250 650 miles down from northern Virginia to participate in the national gathering of the Vintage Triumph Register. 1968 was a transitional year for Triumph with virtually the same Michelotti-styled body of the TR-4 wedded with the 6-cylinder engine of the upcoming Karmann-designed TR-6 making up what was marketed as the TR-250 in the United States, using twin Stromberg carbs. We attended both Friday and Saturday and had planned to participate in the parade laps scheduled for Friday evening around 7:00 PM. We and a few other hardy souls endured delays

and waited in the queue, when just minutes before being flagged onto the track, a nearby lightning strike and a cloudburst ended our

## FOR SALE

### 2004 Jaguar XK8 Coupe 2006 & Mercedes 500 CLK Convertible

A recent acquisition and a lack of garage space is forcing me to sell one of my cars.

First, is a 2004 Jaguar XK8 Coupe in Black with a Tan interior: \$26,000. I bought this car new in 2004 and it has only 11,000 miles on it and has never been in the rain.

Second, is a 2006 Mercedes 500 CLK convertible in Silver with a Tan interior: \$25,000. I purchased this car as a US spec car delivered to me new from the factory in Germany. It has 29,000 miles on it.

Both cars are in excellent condition and each shows as virtually new. One goes and the other stays.

chances of getting the race driver's view of the track.

This all worked out for the better in the long run as we were able to join the crowd for the Triumph-only parade laps at noon on Saturday under drier conditions. There were well over a hundred Triumphs for this parade—everything from TR-2s to 8s, Spitfires and Stags and a few other odd models thrown in. Immediately afterwards was the Kas Kastner All-Triumph feature race which included a blue one-off Peter Brock-designed prototype TR-250K. Kas Kastner was the grand marshal for the weekend. He was heavily involved with Triumphs in SCCA racing back in the 50s and 60s.

Another HSR event coming our way this year will be the Atlanta Historics in September.

The second Spring Drive scheduled for Saturday, April 21st, went ahead as scheduled even though the weather looked like it might not cooperate going into the weekend. We gathered as planned near Hwy 53 off GA 400 and headed to Clarkesville with eight cars. We did get a light shower about three-quarters of the way into the trip, but it did not last very long. Lunch at the Attic Restaurant in Clarkesville was our destination and it was up to the usual high standard. I heard more than one participant comment that this trip was among the most scenic of any we have done recently. Thanks go to Dave and Beverly Kirkman for plotting this one out.

Harvey Ferris is heading up the Carolina Jaguar Club's Concours weekend at Little Switzerland, NC again this year. This is an excellent venue and the Carolina Jaguar Club members are always a welcoming and a fun group to be with. They also stage an excellent Concours. The Concours is on Saturday, July 21, and is a good opportunity for any JCNA member seeking to have their car judged; particularly if you are seeking Regional or National awards. Our club has supported this event for the past several years and I hope we will have a good representation again this year. Complete information, including registration forms, is on the JCNA web site. Click on the Club list and then the Carolina Jaguar Club. Look for "Going to the Mountains" under Up Coming Events.
