PRESIDENT**

May and June offer our club members several opportunities to participate in excellent club activities. On Sunday, May 26 we will head to the Brasstown Resort and partake of their exceptional Sunday brunch.

Sunday, June 9 is British Motorcar Day where we are part of the Peachtree Corners Festival. Information and registration is at www.AtlantaBritishMotorcarDay.org. This is the one charity British car show I encourage all of our members to attend.

Saturday, June 15 is our annual Jags and Friends Picnic. We will gather again at the beautiful home of John and Bobbie Yates. Smoke Jack BBQ will be there again with their delicious BBQ. This is the one event where we encourage you to invite friends to come and bring one of their special cars. Registration for this event will be out shortly.

I am pleased to announce that John Hoffman has been appointed as our Concours Chief Judge this year. Terry Mathewson, Concours VP, John and I met this past week and JCNA has approved our club Concours for Sunday, October 29. The NGJC Concours is well known to be one of the best and plans are well underway

Late Spring Drive to Brasstown Valley Resort
Sunday, May 26

Submitted by Dave Kirkman

The drive to Brasstown Valley Resort in Young Harris has proven to be one of our club’s favorites as we travel over the Richard B. Russell Scenic Highway to the Brasstown Valley Resort where their scrumptious brunch is a true delight.

Given our full fall automotive schedule we will make this drive in the spring when some of the spring flowers should be starting to bloom.

We will gather at 9:30 am in the parking lot across from the main entrance to Wendy’s at the exit of GA 400 and highway 53 with a leave time of 10:00 am.

13th Annual North Georgia Jags ‘N’ Friends Picnic
Saturday, June 15th

Submitted by John Baxa

Come and enjoy this year’s annual NGJC picnic. Again this year we will have the same location thanks to the hospitality of John and Robbie Yates. It is now the 13th Annual “Jags and Friends” Picnic at their lovely home in East Cherokee County area near Chukkar Farms Polo Club on Saturday, June 17, 2017 from 10:00am to 2:00pm with lunch around noon.

Going north on GA 400 cross highway 53 and Wendy’s is on your right. There are new counter flow lanes at the intersection of highway 53 and GA 400 and the new entrance to Wendy’s is a little further north of GA 400 than previously.

As I will be making reservations for our club please RSVP with me if you know you are going to make the drive. Kirkmandav1@aol.com or call me at 678-699-4170 by Thursday, May 23.

This will be a rain or shine drive as our June club calendar is full of fun club activities.

**Judges
Training
for JCNA
Certification
Saturday,
July 27, 2019**

*Submitted by
John Hoffman*

To all those members who are judges and those who want to become JCNA certified judges, please attend the Jul 27th training session.

This is a very easy process. We will give each attendee a 2019 judges manual and review the changes in the rules for 2019. Afterwards an open book, attendee participation test will be given. The test will be graded and those who pass, I don’t know anyone who hasn’t, will retain their judge’s certification or will become apprentice judges. Apprentice judges must judge in one JCNA certified concours to become certified. The apprentice judges will receive a complimentary hat and shirt at the Concours.

It is important that current judges attend not only to retain certification, but to know the latest rule changes.

The club has always prided itself on being able to maintain a proper number of judges. Please make every effort to attend. The site has yet to be determined.

The address is 379 Telico Road, Canton, GA 30115

Arrangements have been made again this year with Smokejack to the catered lunch. This is one event where everyone is encouraged to invite a friend with a neat car to come and share the day with us.

Please fill out the lunch order form on page 7.

Lotus Esprit World Championship Commemorative Mode

Submitted by John Baxa

Club member James Strickland was invited to show a Lotus Esprit in his collection at proceedings leading up to this month's Indy 500.

A bit of background: In celebration of Mario Andretti winning the 1978 World Championship and Team Lotus landing the Formula 1 constructor title, Lotus announced the production of 300 special edition Series 2 Esprit two-seat, wedge-shaped passenger cars

turned out in the iconic John Player black and gold livery.

By the time the cars were available to the public, however, John Player had ended its sponsorship which

had begun in 1968. This Esprit contains a 2.2-liter four-cylinder engine mounted longitudinally behind the driver and passenger. At a special ceremony before the Formula One Grand Prix at Long Beach in April 1979, the vehicle on display was presented to Mario by team principal Colin Chapman and other Lotus dignitaries. Shortly after that, Mario turned the keys over to son Michael Andretti, who was still only 16 at the time.

Jaguar I-PACE Secures World Car of the Year Award

By Simon Alvarez, Teslarat

The Jaguar I-PACE swept a new round of awards recently at the 2019 New York Auto Show. After a long deliberation, over 80 judges from 24 different countries dubbed the all-electric premium crossover SUV as the 2019 World Car of the Year, beating the Audi e-tron and the Volvo S60/V60 in the process. The I-PACE was also the winner of the World Car Design of the Year and World Green Car of the Year awards, adding to the vehicle's ever-growing list of accolades. The judges of the World Car of the Year award were notably impressed by the Jaguar I-PACE's looks and its capability to mix a range of 292 miles WLTP (234 miles EPA) and a brisk 0-62 mph time of 4.5-seconds. Prof. Dr. Ralf Speth, Chief Executive Officer of Jaguar Land Rover, received the award for the I-PACE, noting that the all-electric crossover is but the first step in the automaker's journey towards a zero-emissions future.

"It is an honor that the Jaguar I-PACE has received such an accolade from the prestigious World Car jurors. We started with an

ideal, to move towards our Destination Zero vision; zero emissions, zero accidents, and zero congestion. I-PACE is our first step to achieving this, and it was conceived when EVs were little more than a niche choice," he said.

Notably absent in the World Car of the Year nominees for 2019 was an electric sedan that is disrupting the US and international market today: the Tesla Model 3. The World Car of the Year title requires nominated vehicles to be sold in at least five countries to be considered, and this is a requirement that the Model 3 did not meet.
