REPORT ON CONCOURS d'ELEGANCE

When there are so many Jaguars on site that you are not sure you have an accurate count, you know it has been a good day. We know that fifty-four Jaguars were entered in one of the four categories (Champion, Driven, Special or Display). Approximately one hundred six people had lunch at the country club. We had participants from the Carolina Jaguar Club, Jaguar Society of South Carolina, the Smoky Mountain Jaguar Club and the Jaguar Drivers Club Area 51 (Kentucky JCNA). We know that other Jaguars were there but their owners apparently came as spectators.

We had ten XKs (at least four members have cars undergoing restoration and two others couldn't attend with theirs), ten E-Types and several superb examples of the XJ-S, XJ, XK8 models. Cliff Price had

his beautiful Mark 2 there as was Joe Newell's gorgeous Mark IX, and Mike Fulton's immaculate 1938 SS 1.5 Litre Saloon.

Several cars were making their first appearance—among them was Jeff Small's 1957 XK140 roadster which arrived from California only days before. Jeff's car received the second most votes for the People's Choice Award. Buzzy Turner's very well-done D-Type replica made its initial appearance at our event. Perhaps the most unique car at the event was the XJ220 owned and driven to the event by Ron Green. This was the factory demonstrator car and was subsequently owned by Win Percy, a well known British racing driver, and Terry Larson, a well known U.S. collector and restorer of C and D Type Jaguars. This is believed to be the only XJ220 in Georgia and it is believed that there are only a few in the United States. We found out during the day that Dianne Hulsey had actually ridden in this car at Castle Combe in England in 1998 during her and Terry's attendance at the XK 50 celebration. Ron has graciously invited us

to arrange for a visit to see his entire collection at some point in the near future so those of you who missed it at this event will have another opportunity to see this car.

There are several special awards which are made each year. The People's Choice Award (voted on by attendees) went to Havner Parish for his 1965 E-Type. Havner is the president

of the Carolina Jaguar Club. The Rob Jordan Memorial trophy was presented to John and Nan Williams for their 1964 E-Type.

This year's concours winners are listed elsewhere in the newsletter.

PRESIDENT'S LETTER

For those of you who missed it, the Concours this past weekend was what we all have been working and hoping for since our inception. We had about 60 cars being shown including the works XJ 220 test car, and we had over 100 for lunch at the Chattahoochee Country Club. The weather was perfect, the event and judging were very well run and organized as always by Roy and Linda Cleveland and Pat and Nancy Harmon. We had great participation not only from our club but also from the Carolina Jaguar Club, the Jaguar Society of SC, and the Smoky Mountain Jaguar Club. It was the first year where all the judges had to be certified by JCNA. We had beautiful Jags in every class, none more competitive than the Series 1 E-types. Anyone would be proud to own the first, second, or third place cars in this class. The cars were separated by only fractions of a point.

I would like to thank everyone for such a great event—those who helped set the cars, those who helped secure the score cards, those who tabulated the scores, Carolyn Sikes & Kathleen Kludt who conducted the drawing for prizes, and, of

course, the group that helped everyone with registration, and, most importantly, the owners who spent the time and energy to clean and prepare their beautiful Jags for everyone to see. Pat Harmon and his team of judges did a great job. Thanks also to Lee Paine from the country club for making CDs available for anyone, with pictures of all the cars on it, for just his cost of \$3.00/ea. at the show.

We had terrific sponsor participation from Hennessy Jaguar, who helped pay for the brunch, and we had great prizes from XKs Unlimited, Coventry West, Dayton Wire Wheel, AutoSport, Dick Maury, and other members who wish to remain unnamed. We had enough prizes where everyone who

brought a car got something even if they did not win a trophy. I think we are all beginning to see what a fantastic event this is becoming. We all are working on ways to decrease the time it takes to fairly judge this number of cars.

We have two exciting events coming up soon. The first, Music City Jaguar Club's JCNA Concours, will be held in Franklin, TN on the 8th and 9th of Oct (this coming weekend) with a visit from the 50 British owned Jags from the J.E.C. that are touring the southeast (see the Music City Jaguar Club portion of the JCNA website for details). We have a group going to help judge, but everyone is welcome. The next event is the 2004 Euro Auto Festival

near Greer, S.C. Oct. 15TH through 17TH. We have had only good reports from those members who have attended in the past and are doing this as a club event for the first time. Those interested in attending should contact Dave Kirkman for details. I look forward to seeing you at one of the upcoming events.

Much thanks!
Joe

AUTOMOBILE MAGAZINE 100 COOLEST CARS

In the October 2004 issue of Automobile Magazine, the staff and contributors were polled to come up with a list of the 100 Coolest Cars. As one might expect, the list is comprised mostly of sports cars, convertibles, GT type cars, etc. At number 18 on the list is the Jaguar XKSS. As most of you know, this was the road going version of the D-Type race car which was so successful at LeMans

in the 1950s. At number 10 on the list was the Jaguar E-Type and at number 4 on the list was the Jaguar XK 120. The 120 was outranked only by the Shelby Cobra (no. 3), the Porsche 911 (no. 2), and the 1963-67 Corvette Sting Ray (no.1). Not bad for a car conceived and first produced in the late 1940s! I wonder where the F-Type would have ranked.

CONCOURS CDs FOR SALE

During the concours this year, Lee Paine, who is the athletic director at the Chattahoochee Country Club and a good photographer, made photographs of almost every car entered in the

concours and a photo of the windshield placard. If you would like a copy, call or e-mail Roy Cleveland and he will mail you one. The cost is \$4 per copy (\$3 if I can sell it at a meeting and avoid mailing).

REPORT ON WINE SOUTH EVENT

This event was well worth our efforts. We had a great social get together, the wine was fantastic and the food was outstanding—especially the mashed potato cocktail which was unique and tasty. Everyone who participated in this charitable event seemed to have a good time—talking to the people who attended, answering questions about the Jaguars, and taking part in solving the “mystery”. There were quite a few desirable items or services being auctioned and our members seemed to be active in bidding. I don’t know how successful they were.

The “iffy” weather probably kept some from bringing their cars out but we had seven Jaguars and fifteen club members and I think all of them would recommend that

you consider attending if we should be invited to participate again.

Thanks to Marvin and Carolyn Sikes for bringing this

event to our attention and to George Haldane for arranging for us to participate and for keeping us informed about it. We have learned that

Marvin has a new side job of posing for various ads. See photograph elsewhere in this issue and be sure to ask Marvin or Carolyn about this.

Jaguar Enthusiasts' Club Members Tour USA

This past weekend a number of us from the North Georgia Jaguar Club were invited to assist the Nashville Music City Jaguar Club with the judging at their Concours 'd Elegance. The event was held in conjunction with the

All British Car Show there. But, the real prize was the arrival of 54 vintage Jaguars shipped over from the British Isles by

the Jaguar Enthusiasts Club. The trip had been carefully preplanned included detailed route instructions. The 17 day tour of the Southeast started on October 1st and included the MCJC event at Franklin, TN and then motoring to the Jack Daniels distillery in Lynchburg. From there they moved en-masse with police escort to the small town of Winchester.
