Sunday, October 31st NGJC Concours d'Elegance, Gainesville GA
Saturday, November 20th NGJC Business Meeting, Suwannee, GA

NGJC Concours d'Elegance Update Sunday, October 31st

Submitted by Philip DiTrolio

Registration for judged classes is now closed; however, you can still register for Display. I will now start organizing our judging teams. My plan is to limit the number of cars to a maximum of 6 cars per team – Judges, expect to hear from me soon. I feel confident we can field 5 teams – 3 Champion and 2 Driven – plus an OV Judge, for a total of 14 Judges and 2 Apprentice Judges. Lynn Cunningham will be handling scoring with assistance from Linda Frost and John Baxa; and Bill Flavelle will again organize the parking; we still need volunteers to help with parking, set up, and take down. Please consider donating your time, so that it's not just the same club members doing all the work every year.

For those who will be judging, we will still be using the 2019 rules, so take some time to review them once again. Finally, please: when filling out the score sheets, make sure you take the time to fill them out properly and neatly. The scorers' job will be a lot easier and I'm sure they will thank you.

Here's The Latest On NGJC Merchandise

Submitted by Philip DiTrolio

I have recently taken over club merchandise from John Hoffman. The first item we will offer will be name badges. If you want to order one, you can do so on the North Georgia Jaguar Club website. If you order before October 13th, I think I can have them ready for our Concours. After that, I will place orders on an as-needed basis. The cost is \$15.00 each, and the badges will include your name, along with our club logo, and attach using a magnetic clasp. When ordering, provide your name as you would like it to appear on the badge.

As many of our current suppliers are experiencing delays, we will not be able to offer other items (e.g. shirts, hats) at this time; however, let me know if there are certain items you would like to see. We could offer some interesting items on a limited basis, alongside other stock items.

Chattanooga Motorcar Festival

Submitted by Dave Kirkman

Our club has five places reserved for the Chattanooga Motoring Festival and Concours Car Club Show October 15-17.

Below are the five codes and the steps that must be followed to register a car; The Car Club Show is both Friday and Saturday and you must attend one of these days (or both if you wish) to receive your free tickets for all events including the Sunday Concours;

The individual should register their car and please keep a copy of who is registered and which Jag so I can send that to Ardelle later.

How did I get these you might ask. I have been working with Ardelle Lind for the past two months registering the XK's and E-Types for the Sunday Concours and she was willing to send this along knowing how

responsive our club has been in supporting the Chattanooga event.

Please make sure that these are on a first come first serve basis and that apply only if you are going on Friday or Saturday to the Club Car Event (Ardelle tells me space is limited) and anyone wanting to use these codes needs to respond and register by next Wednesday, October 6th.

Got questions? just call me. Thanks in advance Dave Kirkman 770-886-7435.

The Codes (First come, first serve):

- g2C-LFS-DDN
- 6MI-Rxt-tm2
- ayx-cub-dJp
- WK9-IsH-D54
- M2g-XLP-pXK

LETTER FROM THE PRESIDENT

Concours Judges Unite! We need your help again this year to make this event a success. Let Philip know you are available with a short email to jaguar@georgiaexpo.com. For any aspiring judges come out and see what all the excitement is about. Then next year take the training and join in the fun. We can also use some people to help with guiding cars to their assigned parking spots.

Your club has turned 20 this year, quite a milestone. It is also a turning point and we need to fill positions with new people in order to keep this club viable. As a goal we should aim to have positions two deep with co-chairs to learn the ropes and be willing to step in when needed. Think about attending our November 20th meeting and get a feel for what is involved in the different positions. The location and time is posted on our calendar.

Linda Frost will be taking over the important job of treasurer starting in January 2022. Thanks to Lynn Cunningham this transition will go smoothly. She will be shadowing Lynn and John Baxa at the concours judges booth this year so step by and say hello. Enjoy the fall and look for an upcoming drive. John

Thank You For Making British Motorcar Day 2021 Great

After cancelling in 2020 and postponing the show in 2021 we finally had a bit of luck, including a great location, beautiful weather, and gorgeous cars. Thank you to everyone who came out to show their support. Thank you also to Tellus Museum for hosting us and Savoy Automobile Museum for being a partner.

Congratulations to Peter Davis for winning both the Savoy Best in Show Award and the Peter L. Olson Memorial Award for his 1934 MG PA Midget. Congratulations to the other Peter L. Olson Memorial Award winner John McMillan for his 1948 MGTC. Our raffle basket winner was Warren Neuburger.

Pictures are now up on our website if you would like to see the award winning cars as well as all the other cars and motorcycles that participated in the show.

We hope everyone had a chance to stop by the Savoy Museum tent and check out what they have in store.

They will be opening on December 8, 2021! For more information visit them at savoymuseum.org.

New Classes Of The HHI 2021 Concours d'Elegance November 5-7

This year you will get a chance to see some of the cars that were born in more recent times that reignited the passion of owning and collecting automobiles because they were “cool” again. On our Awards Field, Sunday, November 7, you will find some new classes designed to feature these cars that began the renaissance of automobile design and performance.

- New Concours Classes for 2021:
- Future Classics of the 20th & 21st Centuries
- Homologation Specials
- High-End Hot Rods
- RPM Future Class

Here is what you can expect to see in these new additions to the Concours lineup

Hilton Head Island’s own Concours d’Elegance & Motoring Festival offers the best of the best in automotive exhibition, dining, and luxury lifestyle. It’s more than just an event — it’s a multi-day world-class destination experience

Classic Car Collector Don Peterson Passes Away At 92

Donald Peterson (April 1, 1929 - September 16, 2021) died peacefully at his home in Roswell, Georgia, at the age of 92. He was born in Sandstone, Minnesota to Martin Theodore and Margaret Mildred Peterson (née Dezell). Upon graduating from Maynard High School, he served in the U.S. Navy (1946-47) as a communications specialist aboard the U.S.S. Iowa (BB-61). After leaving the Navy, Don joined the Air Force. Don attended the University of Minnesota from 1947-1950, then transferred to Gustavus Adolphus College, where he graduated with a B.S. degree in business. He married the former Lois Ruth Taylor in 1952, accepted a position with Prudential as an underwriter, and moved to Golden Valley, Minnesota, while welcoming five sons into their home by 1961 (Wyatt, Winston, Whitney, Westley, and Webster). After purchasing a small community bank in Western Minnesota, Don moved his family to Murdock in 1967, where he became a city councilman, and was elected mayor in 1972.

Don was devoted to the Classic Car Club of America (CCCA) becoming a lifelong member starting in 1954 and later serving on the Club's national board of directors for 12 years. In 1962 and '63, he served as the director of the CCCA's Upper Midwest Region (UMR), leading the region from last to first for the CCCA Bigelow

Trophy (overall club participation and performance), a reign that lasted for seven of the next ten years. He got his start in automotive magazine production as editor of the UMR's Windshield Post from 1961 to 1963, winning the club's Turnquist Trophy for the best regional magazine all three years, a publication that then went on to win the award eight out of the next ten years. In 1965,

the CCCA instituted its Citation for Distinguished Service, and Peterson was proud to accept the first award (along with Gordon Maynard of California).

In 1974, Don left his beloved Minnesota and moved to Atlanta, Georgia, where he met and married the former Edie Tannenbaum. Together, they raised their son, Ryan, who was born in 1986. In 1977, Don was hired as the first editor of Car Collector magazine,

a position he held for 14 years, and a magazine for which he became half owner, ultimately selling it in the mid-1990s. He started his own automotive appraisal business in 1974, Classic Car Appraisal Service, which he continued to run with four of his sons right up to his death.

For Don, traveling was always on the forefront of his mind. If he wasn't on tour with a Classic automobile, he was traveling overseas with family and friends to some 110 plus countries, covering all seven continents. He boasted of driving an estimated two million miles during his excursions, more than 300,000 of them in collector cars. His favorite trip in a Classic car was in 1995, during the CCCA Coast-to-Coast Caravan. Don – along with a change of passengers between sons Wyatt and Ryan, and his wife, Edie – drove his 1930 Packard 734 Speedster on a one-month tour around the U.S. (most of the way without a support vehicle), putting tire to pavement in 48 states and adding almost 10,000 miles to the car's odometer. Don was on at least 73 Caravans, more than any other person.

Don is survived by his wife, Edie; brother Jerry; sons Wyatt (Mercea), Winston (Mary Jo), Westley (Laura), Webster (Kari), and Ryan (Jason); six grandsons; and 11 great-grandchildren. He was predeceased by his son, Whitney.

Electric Jaguars To Transport World Leaders At UN Climate Talks In Glasgow

By Michael Mazengarb, *The Driven*

Jaguar will partner with the COP26 climate talks, to be held in a November in Glasgow, and will transport dignitaries and world leaders in a fleet of electric vehicles, including the Jaguar I-Pace SUV.

The marque, synonymous with Britain, will use the two week conference to showcase its all-electric models. The conference is expected to attract as many as 120 world leaders, including US president Joe Biden, Queen Elizabeth and Pope Francis who have all confirmed that they will attend the talks.

The COP26 talks, the first held for two years, will bring together negotiators and delegates from around the world, and as hosts, the UK governments hopes to use the conference as a platform for driving accelerated

action on climate change and efforts to slash global greenhouse gas emissions.

Jaguar will supply the event with a fleet of all-electric vehicles, that will transport leaders to and from the venue hosting the UN climate talks.

Jaguar has provided similar fleet services to previous events held in the United Kingdom, including meetings of the G7, and said that it would source vehicles from existing fleets so as to minimize the environmental footprint of the fleet serving COP26.

President of the COP26 talks, former British secretary of state for business, energy and industrial energy, Alok Sharma, said that Jaguar was the right pick as a partner for the conference, given its commitments to zero

emissions transport.

“Jaguar Land Rover . . . has committed to a 1.5 degree aligned science-based target to reduce emissions in line with the Paris Agreement and supporting the UNFCCC Race to Zero,” he said.

Jaguar Land Rover CEO Thierry Bolloré said the company would be able to showcase the progress made in its ‘reimagine’ business strategy as part of its pivot to electric vehicles, and its plan to achieve zero tailpipe emissions by 2036.

“Sustainability is at the core of our business strategy, Reimagine, which enables us to focus on becoming net carbon zero by 2039, as the creator of the world’s most desirable modern luxury vehicles.”
