Second Practice Rally Saturday, September 23, 2017

Submitted by Dave Kirkman

Our first practice rally was a lot of fun for those that participated in their first Monte Carlo style rally. For club members who missed the first practice rally, and we welcome back those who did participate, the second practice rally will cover the proposed rally routes for the Second Stage of the JCNA IJF Monte Carlo Rally. These routes will take us into the scenic backcountry roads around Clarksville, GA. Lunch will follow in Clarksville.

We will gather at the Exxon station at the corner of Lula Road (Highway 52) and Highway 23 / 365 at 10:30 am. I'll go over the instructions and hand out the strip maps and we will start the rally when everyone understands how to "rally Monte Carlo style".

Lodge Reservations For JCNA International Jaguar Festival

Submitted by: Judy Hoffman

Many club members have made reservations to stay at the Lodge during the event. I strongly recommend staying at the Lodge if possible. However, you need to make the reservations as soon as possible. We will need to decide the final number in the block of rooms by September 12, 2017. If we need to eliminate some of the rooms (we are committed to a certain number),

you may not have a room available at a later date.

MESSAGE!!!

If you are going to stay at the lodge during the event, make your reservations now!

Website: www.jcnaif.com open the Reservations link and then open ON LINE LINK to hotel

Deadline for Judged Cars At IJF September 15th

Submitted by John Baxa

A lot of behind-the-scenes work continues in preparation for the big festival in October including judge's training in mid-August to prepare our local members for the task of judging what will probably be in excess of a hundred cars. If you plan to attend and have your Jaguar judged, remember you must

sign up before Friday, September 15th. If you have any questions regarding the Concours d'Elegance portion of the festival you can contact Chief Judge Craig Kerins. There's a lot to coordinate to have this event run smoothly in the amount of time allotted, so don't delay—register today.

LETTER FROM THE PRESIDENT

Let me begin by saying thank you to all of you who are reading this. We have many members, John Baxa and John Yates in particular, who spend many hours each month putting this newsletter out. You may or may not be surprised at how many members do not read this document.

It is not just the inactive members who don't read it, but also the active. I will be at an event and get a question that has been answered in the most recent newsletter. When I mention this, they will admit to not reading it. Now I know putting these comments in the letter will not get to the intended audience, because they don't read the Newsletter. It just makes me feel better.

Enough of my soapbox! I just wanted to express appreciation to those of you who do take time to keep up to date on events. Those who don't read will never know.

I would also like to thank all of you who have registered for the JCNA International Jaguar Festival. It looks like we are approaching our initial goal of 100 cars on the field. We still are looking for a XJR-5 to exhibit. We believe Howard Turner owns one in the Atlanta area that he purchased from Bob Tullius. If anyone knows him well enough to contact, please let me know. Our guest speaker, Brian Redman, drove this car, may actually be the same car, for Bob Tullius when it was being raced. It would be great to reunite Brian with the car.

We still need volunteers. Please sign up with John Hollier at drjhollier@att.net
We are still running below our guaranteed room nights at the Lodge. We currently have 78% of the minimum nights reserved, we need an additional 44 nights reserved. A decision will need to be made on September 15 on the cut off. So, if you have been procrastinating, please reserve your rooms now. If you wait we may have reduced the block of rooms available. This is for the protection of the clubs' finances.

On that note, we are now confident that the club's financial reserve will not have to be tapped for this event. Please thank the committee members for this.

Note on the registrants. We just received the registration from Michael Mueller, co-author of the recent book "Jaguar E-Type Six Cylinder Originality Guide". He will be judging and showing his Jaguar XK 140.

Drive safely, but drive 'em.

Results Of First Practice Rally

Submitted by: Dave Kirkman

Continued from page 1

Although Saturday did not get off to a good start for Beverly and me there is a saying that "All is well that ends well" and that was true for our First Practice Rally for the upcoming JCNA IJF. [Editor's note: The Kirkmans "took one for the team" as their beautiful XK8 was rear-ended on the way to the rally meeting Fortunately, no one was hurt.]

First, we all owe a big "THANK YOU" to John Leverett, VP of Sales and Marketing for Panoz. John went out of his way to come in on a Saturday morning and open the front gate and offices to Panoz so we could stage our Practice Rally. John even stayed longer than we had agreed as Beverly and I were unexpectedly detained for a brief period.

Seven couples participated (Phillip and Cathy Cofer, Bill and Jane Flavelle, Ivan and Myrna Ruiz, Alan and Sue Taylor, Michael and Beth Thornton, Brian and Marie Ulrich, Doug and Sandy Utt) and that was the perfect number to help us verify the routes and work on the scoring.

All too often these rallies can become a shambles due to lack of preparation and attention to detail and actually running a stage or two is the only way I know to work the bugs out.

John Baxa got everyone started after we handed out the instructions and strip maps and Beverly and I headed for the checkpoint. Although the scoring sheet mostly worked there was some confusion (or as Beverly noted "recalculating "required) that will hopefully be avoided

in my setup for future score sheets and stop watch operation. With a little refiguring on Sunday morning the Utt's actually finished closest to the posted time and Alan and Sue Taylor were next. Both couples were within seconds of the posted time.

We finished the morning off with lunch at a restaurant in Lula before heading home. If laughter was any indication then the event was a huge success all around. Thanks again to those who participated and mark your calendars for our Second Practice Rally, Saturday, September 23.

Second Practice Rally Saturday, September 23, 2017

The stoplights for highway 52 (Lula Road) and highway 23 / 365 are approximately 10 miles north of the highway 129 exit off I-985 to Gainesville. I know how busy September is but to make our JCNA IJF rally successful I really need at least five teams to come and participate so we can verify the routes, time of travel, and scoring procedures. This is our last chance to get it right before the IJF! Please RSVP with me (kirkmandav1@aol.com) by Thursday, September 21 so I can set up the score sheets.

Jaguar F-Type Brings Excitement to Dull and Boring

From the staff at justbritish.com

August 9th, on Dull and Boring Day, Jaguar announced the launch of a new campaign for the 2018 Jaguar F-TYPE to bring excitement to the two towns of Dull, Perthshire in Scotland and Boring in Oregon, U.S. Jaguar selected two residents of Boring, and another pair from Dull, to inspire some excitement in each of the chosen towns. Each pair was given a new 2018 Jaguar F-TYPE R, the most dynamically capable and performance-oriented sports car in the Jaguar family line up, to add a little adventure and excitement to their lives by turning everyday journeys in Dull and Boring, including visits to local stores, coffee shops and gas stations, into a thrilling ride.

Dull, with a population of only 200 residents, sits nearly 75 miles north of Scotland's largest city of Glasgow. Boring sits approximately 21 miles east of Portland, Ore., and is home to 8,000 residents. The two towns, united by unexciting names, formed an international alliance in 2012 to boost the profile of each town, and celebrate the annual public holiday – Dull and Boring Day – on August 9.

“The Jaguar F-TYPE is our performance sports car, so we wanted to demonstrate how the vehicle can excite the senses and enhance everyday driving experiences. Bringing the F-TYPE to the cities of Dull and Boring allowed us to have a bit of fun with the brand in a way that was relatable for Jaguar consumers in the United Kingdom and the United States,” said Joe Torpey, Communications Manager, Jaguar Land Rover North America.

The 2018 Jaguar F-TYPE offers driver-focused technologies and a broader model range than its predecessors, now comprising of 24 derivatives that include an all-new turbocharged 296hp Ingenium four-cylinder entry model, a number of supercharged V6 options, and the 200mph all-wheel drive 575hp V8 powered F-TYPE SVR.

Additional updates to the 2018 F-TYPE now include standard Jaguar InControl® Touch Pro™ infotainment which, thanks to its fast processor and automotive Ethernet connections, supports a number of additional apps and driver assistance technologies. Debuting on the refreshed 2018 F-TYPE, Jaguar also now offers GoPro® connectivity on all 2018 model year vehicles

equipped with the InControl Touch Pro™ infotainment system³. Called ReRun, the new app is designed to be used off-highway, sourcing telemetry data from the car; measuring speed, lateral acceleration, gear selection, throttle and brake position, and overlaying this information into an easy to digest dashboard on video filmed with the GoPro camera paired and mounted to the car. The high quality video – including a unique ‘highlights’ section – can be downloaded to the driver's smartphone, creating a shareable record or the driver's successes on track.

The 2018 Jaguar F-TYPE will be available later this year priced from \$59,900.

Fall Drive To Brasstown Valley Resort Sunday, September 17, 2017

Submitted by Dave Kirkman

For those of you who remember, and for those of you who don't, our attempted Spring Drive to Brasstown Valley Resort was, well a little wet. In fact Roy Cleveland called and let us know that lightning had caused a power failure at the resort and the restaurant would not be open.

The drive over the Richard B. Russell Scenic Highway on the way to Young Harris and the Brasstown Valley

Resort for their scrumptious Sunday Brunch is one of our club's favorites so we are going to try it again! I'll be making reservations with the restaurant so it would be very helpful if you know you are going to please RSVP with me (kirkmandav1@aol.com) by Thursday, September 14th.

We will gather at 9:30 am in the parking lot across from the main entrance to Wendy's at the exit of GA400

and highway 53 with a leave time of 10:00 am. Going north on GA400, cross highway 53 and Wendy's is on your right. There are new counter flow lanes at the intersection of highway 53 and GA400 and the entrance to Wendy's is now a little further north on GA400 than previously.

Jaguar E-type At Pippa Middleton's Wedding Is World's Oldest

By Paul Hudson, *The Telegraph*

The Jaguar E-type in which Pippa Middleton and her husband James Matthews departed the nuptials is the oldest surviving Series 1 Roadster, built in February 1961 and registered as 77 RW on the 24th of that month.

It is the two-seater open version of what has been described as the most beautiful car in the world, with a 3.8-litre straight-six under the bonnet developing 265bhp. It was also available as a fixed-head coupé (FHC).

According to the Jaguar Daimler Heritage Trust, 77 RW is owned by Mr Michael Kilgannon and is on permanent loan to the Trust.

The E-type caused a sensation on its debut at the Geneva motor show in March 1961, when one of the show cars was famously driven from the factory at Browns Lane in Coventry to Swizerland by Jaguar's famed test driver Norman Dewis. Pippa arrived at the nuptials with her father Michael Midleton in a 1951 Jaguar MkV drophead coupé. The MkV was introduced at the 1948 London Motor Show, and about 9,500 saloons and only 1,000 drophead coupés were built between 1949 and 1951.

JLR Is Offering Up To \$5000.00 Incentive On Some Models

Submitted by George Camp

As a special incentive for being a member of JCNA, we are pleased to extend an exclusive offer on the purchase or lease of a new 2016 or 2017 Jaguar or Land Rover vehicle. Details at www.jcna.com.

YOU MUST BE A MEMBER OF JCNA FOR AT LEAST SIX MONTHS TO TAKE ADVANTAGE OF THESE OFFERS!

Death of the Petrol & Diesel Car?

In a bid to tackle air pollution the UK government has announced a ban on sales of new petrol and diesel engine cars from 2040. Is this a bad thing, or merely a chance for new innovation? What does this mean to Jaguar Land Rover and the future of car clubs?

Club Name Badges

Submitted by John Hoffman

When attending the recent Carolina Jaguar Club Concours, I noticed all of the Carolina club members were wearing their club name badges. It is a big help to the out of town guests to know who are the locals.

Added JCNA Member Benefit Discount on New Jaguars to JCNA Members

The operation of the plan is simple. First go through the normal purchase procedure at the dealership. Then show your JCNA membership card and dealer will apply the discount. Jaguar will take care of crediting the dealer.

The program is intended to be permanent, but eligible vehicles and amounts will be examined quarterly and adjusted as necessary. This will ensure that as inventory is exhausted and new cars are launched, the program will apply to the Jaguars currently available.

Watch your mailbox. Jaguar will send all eligible JCNA members a letter to announce the program. The letter will include a certificate number denoting your eligibility.

JCNA Member Purchase Program

**XF Models \$1,500
XJ, XK & F-Type \$2,500**

This program is not transferable and is available only to JCNA members in good standing. Membership verified via prior fiscal year roster (Dec 31). Cannot be combined with A/Z plans.
