JAGUAR CLUBS & EVENTS IN ENGLAND

Beginning with this issue, we are presenting a listing of selected Jaguar and classic car events scheduled in the U.S. and England.

There are two large Jaguar clubs in England. The oldest of these, of which I am a member, is the Jaguar Drivers Club (JDC). The JDC was formed in 1955 and has the distinction of once having Sir William Lyons, the founder of Jaguar Cars, as its president (1958). The other major club is the Jaguar Enthusiasts Club (JEC). Terry Hulsey, Joe Newell, and possibly some other NGJC members are also members of this club. We'll have some more information about the JEC in a subsequent newsletter.

The JDC (website is www.jaguardriver.co.uk/) is subdivided into registers (XK, E-Type, XJ, etc.).

A long-time friend of mine, Brian Davis, is the chairman of the XK Register. Each spring, Brian and his wife Mary organize a weekend for XK Register members. In 2001, Linda and I participated in their weekend which was held in the Cambridge area. There were about 30 couples in attendance and almost all were driving their XKs. We were made to feel very welcome and Brian has told

me that anyone from our club would be welcome to join them. Therefore, I am providing details of this weekend.

The XK Register's spring weekend (May 9-11, 2003) will be based at the Raven Hall Hotel in the North York Moors National Park. The hotel is north of the town of Scarborough and overlooks Robin Hood's Bay. This is the Yorkshire area of England and was the setting for the series of books written by James Herriott (*All Creatures Great & Small*). Some of the sites which the group will tour during the weekend are Castle Howard (setting for the TV series *Brideshead Revisted*), Whitby Abbey, and Eden Camp (a WW II POW camp). Cost for the weekend is 390 British pounds (about \$630) per couple. This includes two nights lodging, two dinners, two breakfasts, 1 lunch and all visits. If anyone is interested, contact Roy Cleveland.

PRESIDENT'S COLUMN

Happy New Year!

Here we are at our club's one year anniversary and the start of a new year. This seems like a good time to look back just a little and examine what has happened within our club and how it affected us. A little over one year ago three of us got together to start a new Jaguar club in the Atlanta area. It took us a lot of soul searching to decide to do this. After all, there was an already established club in town which we had all belonged to for several years. We all had a vision of a club that would be less a social club and more a drivers/enthusiasts club. I hope as you look back at our activities for last year you will agree that we have made a good start toward being just that type of club. Those of you that know me know that I love to drive my cars (and talk about them and...). We have several exciting events planned for this year. I hope we will see you at most of them.

Our annual Christmas party was held at the fabulous Vinings Club. Thanks to Joe Newell for arranging the use of this wonderful facility. There will be a write up of this event elsewhere in the newsletter but I would like to mention here that Roy Cleveland was awarded special recognition for his efforts on behalf of the club. Thanks Roy and Joe for all you do for us.

Happy Motoring
Terry

NEW MEMBERS

We would like to welcome all of our new members since the last newsletter. They are Laird and Katie Hamberlin, Wil Sommer, Wayne and Linda Phears, Richard and Marilyn Schofield, and David Grunden and Alice McCarthy.

Our membership is now up to 55 and applications are continuing to arrive. Membership lists are available to any member by mail or e-mail. If you would like one, call or e-mail Roy Cleveland (*Note: Roy has a new e-mail address: rmcleveland@charter.net*).

PLANNED EVENTS FOR 2003

One important event which we are planning but which we cannot list in our calendar yet is the preview of the new XJ which is scheduled for introduction this spring. As soon as the Jaguar technical center in Atlanta receives one of these cars, our friends at Hennessy have committed to arrange a pre-introduction technical session for us at the center. As of this writing, we have no indication of when that will be; therefore, this session may have to be set up on short notice. It is expected that it would occur in late March, April or early May. If you are interested in attending such a session and would like to be notified by e-mail, phone, or fax (assuming we aren't able to get it in the newsletter on a timely basis), please e-mail Roy Cleveland at rmcleveland@charter.net or call him at 770-538-0858.

Another event which we are trying to set up is a fall driving tour in north Georgia to include a lunch at the Lodge at Smithgall Woods which is a 5,000 acre plus nature preserve.

One other event which we are trying to set up is a presentation by Mr. Milton Hill who owns and operates Auto Motif in Smyrna. Auto

Motif is a shop which specializes in model automobiles and other automobilia. It has an extensive inventory. If you are interested in model automobiles, you would enjoy a visit to this shop. 

February Tech Session

Location: Hyundai Training Center, near Six Flags

Directions: I-20 west to Riverside Parkway exit. Follow the exit around to the first large building on the right. Go through the doors directly in front of the drive.

Time: Assemble 9:00 A.M. start 9:30

Date: February 15

Due to popular request we are repeating a tech session from last year. Steve Rinaldo will again educate us in the mysteries of oils and other lubricants. This was a very informative event last year and we received an unbelievable number of requests to repeat it. We are doing so because of the valuable nature of the information and because last year the weather was so bad. This tech session will give you many insights into lubricants for your cat. See you there.

NEW ADVERTISERS

We would like to welcome some new advertisers to our newsletter – XKs Unlimited and SNG Barratt USA. XKs Unlimited has operated for many years from its headquarters in San Luis Obispo, California. Several years ago SNG Barratt (out of the UK) purchased British Auto USA (which was formerly owned by Peter Gould) and has since operated from British Auto's former base in Manchester, New Hampshire. Many of us have purchased parts over the years from these two suppliers (or SNG Barratt's successor). I have never heard a complaint about either of these companies and my experience (XK parts) with them has been good. Terry Hulsey has purchased parts from one or both of them for some years. Take a look at their ads and patronize them when you can (they both offer free catalogs). If you do order from them, mention that you saw their ad in our newsletter. They may offer discounts to JCNA members. We'll check on that and report later.

CHRISTMAS PARTY

On the evening of December 8, over thirty NGJC members enjoyed the superb setting, food, and service as well as the good company of fellow members at the Vinings Club during our first Christmas party. The club was beautifully decorated for the season and the skyline of Atlanta in the distance provided a dramatic back drop for the party. Thanks to Joe Newell for making his club available and for making the arrangements for this party. Also, a special thanks to Joe and Betty for providing the delicious hors d'oeuvres. If you missed this year, please plan to attend next year. Members' comments were so positive that we have tentatively booked the Vinings Club for next year on December 15 at 6:30pm.

CHAPTER DISCOUNTS

Hennessy Jaguar is offering a 15% discount on parts and labor to all North Georgia Jaguar Club members. This would include, of course, all accessory and automobilia type items. All you need to do is show your JCNA membership card which has our Club numerical code on it and remind the service advisor or the parts sales person of the discount. If you should have a problem, at the Buckhead location politely ask the person with whom you are dealing to contact Randy Coile, Sales Manager at Hennessy Buckhead, who arranged this discount. If you are at the Gwinnett location and have a problem, ask the person to contact Steve Newcome, Sales Manager at Hennessy Gwinnett.

JCNA AGM IN CHARLOTTE

The Annual General Meeting (AGM) of the JCNA is being held in Charlotte on March 20-23, 2003. This meeting is being hosted by the Carolina Jaguar Club. They have arranged for some interesting events such as a tour of some of the prominent NASCAR race shops in the area. There will be more information on this event in the January – February issue of the Jaguar Journal. Many more details are also available at www.jcna.com – just click on “2003 AGM” under “JCNA News”.
