Seventh Annual "Jags And Friends" Picnic

Submitted by John Baxa

Attendance was excellent at our annual picnic on the banks of the Chattahoochee River thanks to the gracious hospitality of Vail and Linda Frost. As usual there was an eclectic collection of marques as many friends of club members brought interesting examples to share. This was the seventh year for this event and it has turned out to be one of our most popular in terms of attendance.

Thanks again to Vail and Linda for providing the locale and Brian Hernan for coordinating food for the event.

Southeastern JCNA Concours Schedule

PRESIDENT'S LETTER

THERE'S A NEW SHERIFF IN TOWN AT JCNA

One of the cornerstones of JCNA is the national Concours program. It is currently centered around the local club Concours and is based on the general premise that a car judged at one club's Concours should receive a similar score when judged at another club's Concours. A key assumption to this premise is that there are competent judges at each club Concours to render a reasonable appraisal of any car presented to be judged. To this end JCNA has made, and is continuing to make, a concerted effort at the national level to improve overall Judges Training through a comprehensive Rule Book, more detailed and updated Guides for the various Jaguar models, and annual Judges Training and Test that stress the most recent rule book changes. JCNA is also taking steps that require a specific number of trained judges be present before a club request for National Sanctioning will be approved. This is all well and good but without someone in place to make

Highlands Motoring Festival A Festival With Altitude (4,118 ft)!

Submitted by John Baxa

The Highlands Motoring Festival has evolved over the past several years and this year saw a notable change in the schedule as it was held in early June where in years past it has been held later in the summer. The featured marque this year was Porsche and there were many examples on display. Festival organizers restructured the classes to be judged and included touring, classic, street rod & custom, American sport & high performance, foreign sport, foreign classic, trucks/utilities, special interest (this year included a 1954 Muntz Road Jet) and marque of the year.

"Wow! What a great success the Car Show was. Great turnout and great vehicles to enjoy. Everything from some special interest cars and vintage motorcycles on the gym floor to equally beautiful cars outdoors. The vintage motorcycles riding around through town and the park, helped spark everyone's excitement for the show. When was the last time you saw a vintage Vincent,

sure that JCNA Concours rules are followed little has been accomplished.

As the title of this month's President's Letter implies there is a new sheriff in town at JCNA to make sure Club Concours Sanctioning is done correctly and the published JCNA rules are followed before, during, and after the Concours prior to any official publication of the results. The new sheriff? None other than our own Pat Harmon! While it is still the local club's responsibility to seek sanctioning for a particular Concours date, provide updated records of trained judges, and send in Concours results it is Pat's responsibility to sanction the Concours per published JCNA Concours Rules. Pat will then review the results to again make sure JCNA Concours rules were adhered to BEFORE he gives his final approval and they are officially published. The job requires someone with a passion for the Concours; someone who is very detail-orientated, reads the rule book, understands how to implement the rules, and is willing to disallow a final score when the rules are not followed. Sounds like JCNA got the perfect guy and that is good news for all of us who want to see the JCNA Concours bar raised to a higher standard. Better hide the women and children there is a new sheriff in town at JCNA.
