**For Sale**

For Sale: I'm an owner of a 1978 BRG series II sedan that is really nice looking.

A couple of years ago, I met a NGJC member at Alpharetta Costco with a beautiful XJ that would complement mine if mine were running. I've been in the process of replacing the right hand fuel tank, but likely will never finish the job. It's been sitting in my garage for too many years.

I've owned it since 1980, when I was a member of the Jag club in Connecticut, and after all of these years, it is time to find it a new home. I have no idea what it may be worth, or where to find someone who'd like to provide it the love and attention it deserves.

If any NGJC members have an interest or suggestions contact

**Spring Drive Sunday, March 26, 2017**

*Submitted by Dave Kirkman*

Last year's spring drive into horse country on the back roads of Cherokee County proved so popular we are going to travel some of the same roads again this year. We plan on having lunch at the Olive Garden near Canton so please RSVP (kirkmandav1@aol.com) if you know you are coming. This is a rain or shine event. The weather should be warming up nicely and the trees and flowers in full bloom on our route.

MEET: Kroger parking lot behind the Wells Fargo Bank at the corner of Windward Parkway and Highway 9 (also known as the Cumming Highway or Alpharetta Highway) at this point. The Kroger parking lot is on the north west corner as soon as you cross Highway 9 going west on Windward Parkway.

TIME: 9:30 am with a leave time of 10:00.

This is a rain or shine event.

**British Motorcar Day Sunday, April 30th, 2017**

*Submitted by Dave Kirkman*

April 30th may seem like a long way away but our calendars can fill up quickly during the spring months so reserve the date for the thirty-fourth annual British Motorcar Day celebration. For our new members that may not be familiar with British Motorcar Day it is the only charity British car event supported by all fourteen British cars clubs in the greater Atlanta area and is the one British car charity event that I encourage all of

**LETTER FROM THE PRESIDENT**

The year is moving fast and we already have two events in the box. The January drive to Dick Peden's collection was a great event. We will do this again and have the event catered in his garage 50's-style diner (see picture). Dick's collection will remain between 12 and 14 cars, all of the 50's era. He has many beautiful cars and one Pontiac that is one of one. Can't get much better than that. Thanks to Philip Carroll for arranging this drive.

The Valentines Day lunch was good once again and thanks to Brian Hernan for his work in putting this together. We had over 40 people at the event.

There are many more club events to come this year and some other events I would like to highlight. The Carolina Club's concours and drive at Little Switzerland is always a great meeting. Last year was my first and I will be attending once

again this year.

Amelia Island Concours March 9 – 12 is a great show to attend. Many beautiful cars, several celebrities usually attend and all major car companies have booths and test drives available. I met most of the Velocity Channel's hosts a couple years ago. We will have at least one club member showing his Maserati Bora at the concours.

The Highlands Car show is coming up in June and while not an exclusive Jaguar event, it is well attended by our club. Many members make it just a day trip.

Pinehurst Concours, Hilton Head Concours, Euro Auto Festival, Walter Mitty ("the Mitty") and Petit Le Mans among others are all shows club members attend that are well worth attending. Some are just a day trip. There are many more local club events listed at the JCNA website.

Remember this creed if you enter a show:

***I promise I will be a good sport.***

***I won't whine or complain if I don't win an award.***

***I will always remember that this is supposed to be fun.***

***It's not life or death, it's just a hobby.***

our club members to attend (or at least register your car even if you cannot attend). NGJC member Brian Hernan, along with two other British car enthusiasts, started British Motorcar Day in 1984 and it has been held every year since and will be held again this year on the tree shaded parking lot at Roswell City Hall. Club representation on the BMCD Board of Directors is strictly on a volunteer basis and John Hollier and I currently represent the NGJC. Expenses for the event are kept to a minimum and over three thousand dollars is annually contributed to a variety of local civic and charity organizations. We'll have more BMCD specifics next month but plan now on celebrating this charity event with other club members on Sunday, April 30th, 2017!

# Thieves Steal \$3.7 Million In Engines In Crazy Heist At Jaguar Land Rover Factory

From Jalopnik/Andrew Collins

Thieves reportedly made off with a haul of engines worth \$3.7 million from Jaguar Land Rover's production facility in Solihull, England. They allegedly cruised right by security cameras in two trips, using a stolen big rig. The thieves are apparently still at large and the parts unaccounted for.

The story being reported by local publications in England is that the alleged thieves rolled into the Solihull factory with a big rig cab at 10:30 p.m. at night, peacefully made it through a security gate, hooked the truck up to a trailer loaded with engines and simply exited the facility.

It sounds like the alleged thieves were met with no resistance, and in fact apparently returned shortly after to repeat the crime.

The Solihull Police have released a statement saying "an articulated truck is believed to have entered the site twice, each time hooking up to trailers carrying the engines and then leaving again through the gate," but did not speculate on whether or not they're dealing with an inside-job situation.

As Coventry Telegraph quotes an anonymous witness who said that the truck was filled to the brim with motors:

"How they got the lorry in and out so quickly is quite some story. We heard the lorry came in at 10.30pm on Tuesday through gates at D1 then drove to the Lagoons depot. We were told a trailer was attached and was full of new engines. That lorry was in and out of the plant in six minutes."

"Later that night the same lorry came back and did it all over again. It attached another wagon and then it drove out past the security guards and that wagon was not seen again all night. But we have heard that the driver had the yellow documents he needed so he could show the security guards on the way out, without having to be searched."

Which engines were stolen specifically, or how much exactly Jaguar Land Rover is offering as a reward for their recovery remains unclear but the Solihull factory produces the Range Rover, Range Rover Sport, Discovery and Jaguar F-Pace.

# Volunteers Needed

Submitted by John Hoffman

The club is going to need many volunteers for the upcoming JCNA IJF in October. You do not have to be a member to volunteer, just be willing to help. I am sure some of our younger family members and their friends would be willing to join the crew for an International car show.

John Hollier will be our Volunteer Coordinator. Please contact John with an idea of what you want to do or just offer to be assigned a task.

Here are some, but not all, the areas in which we will need help:

Registration

Apparel Sales

(this will be giving assistance for online sales)

Slalom

Set up, parking directions and general help.

Concours

Set up and field layout, direct vehicles to assigned parking, runners for judging teams

(this is where the youngsters could be of help).

Rally

Starters, manning check points and finish line.

Please contact John Hollier at:

## Added JCNA Member Benefit Discount on New Jaguars to JCNA Members

The operation of the plan is simple. First go through the normal purchase procedure at the dealership. Then show your JCNA membership card and dealer will apply the discount. Jaguar will take care of crediting the dealer.

The program is intended to be permanent, but eligible vehicles and amounts will be examined quarterly and adjusted as necessary. This will ensure that as inventory is exhausted and new cars are launched, the program will apply to the Jaguars currently available.

Watch your mailbox. Jaguar will send all eligible JCNA members a letter to announce the program. The letter will include a certificate number denoting your eligibility.

### JCNA Member Purchase Program

**XF Models \$1,500**

**XJ, XK & F-Type \$2,500**

This program is not transferable and is available only to JCNA members in good standing. Membership verified via prior fiscal year roster (Dec 31). Cannot be combined with A/Z plans.
