## First Sanctioned Club Slalom – November 20

By Dick Maury

On Sunday, Nov. 20, the North Georgia Jaguar Club will be holding its first official sanctioned slalom. The "Sanction" means that the times will be turned into JCNA for national score competition and the event is open to anyone in JCNA. Unlike the Rally and Concours, the best single run is your score for the year. You can run dozens or just a single run and it is your highest score that counts. Therefore, come on out with your Jaguar and run the slalom. You might be the fastest in your class and get a national standing. Check out the JCNA website ([www.jcna.com](http://www.jcna.com)) under slalom to view the classes and decide which one you will run in. There are classes for totally stock cars so you won't have to run as fast as some of the other classes to win. If you don't want to run, come on out and watch since it can be a lot of fun. There is even a class for non-Jaguars.

Starting at 10:30 AM on Sunday, Nov. 20 there will be a slalom school. This will consist of going over a car and showing what is checked for safety. There will also be some helpful hints to get you around the track faster. We will also go over the classes and the effect of modifications on your class positioning. Then, we'll walk the track and suggest how to approach the corners and some other strategies. We will then take a few cars slowly around the track with passengers to get familiar with the track layout.

At 12:30 pm, we'll break for lunch until

1:30 pm when the timed runs start. If you don't know whether you want to run the timed runs, come on out for the school, lunch, and then watch. You might get excited enough to run your own car. The timed runs will continue until everyone has finished. After that if time allows, there can be practice or fun runs but they won't

count. At this time, there is no charge for the event. A real bargain as the SCCA charges \$35.00 to run 3 laps without a school. You will get the school and 5 timed runs.

Helmets are required for the timed runs for both the driver and passenger. There will be a limited number at the slalom but the proper size cannot be guaranteed. If you have a helmet or a spare, please bring it/them.

The location will be Chicopee Woods near Gainesville which is where the Challenge Championship Slalom was held. There will be the electronic timing equipment as used at the Challenge accurate to .001 second. If you have any further questions, contact Dick Maury @ 770-484-6500 ext.210.

## AUGUSTA DRIVE ON NOVEMBER 12

As noted in our last newsletter, our club will be cruising to Augusta on November 12th. We will be meeting at 10:00 am that Saturday morning at the International House of Pancakes in Conyers. From I-20 East take Exit 82. Get immediately into the right hand lane, cross

over the highway and turn right at the first road (Dogwood Road). The IHOP is at the bottom of the overpass, on the left side and not visible from the highway. Once we meet-up we'll be given maps for a less-traveled route to Augusta. Hope to see you there!

## PRESIDENT'S LETTER

Things are flying fast in November and December. The Hilton Head Concours is this coming weekend (we have quite a few members scheduled to attend). The 12th and 13th is the Augusta drive and overnight which looks spectacular. The 19th is the annual business meeting (election of officers), the 20th is our 1st sanctioned slalom and school and the Christmas Party is Sunday, Dec. 4th at the Vinings Club.

If you can't find something fun to do out of that list, you aren't trying. On a more serious note, for those of you who can't attend the business meeting, please fill out and mail in your ballots. If you have the time and want to help with any of the club functions, please put a note on your ballot as to where you think you would enjoy participating. Every one is welcomed and encouraged to get involved. Please note that our by-laws do not provide an officer position for the Rallymaster and the Slalom head. I guess we didn't realize how important those positions would become. That is the only reason they are not listed on the ballot. Dave Kirkman and George Haldane will continue as co-

rallymasters (they have done a great job this year!) and Lynn Cunningham and Dick Maury will share responsibilities for all the slalom activities. They also did a great job with this at the Challenge Championship.

Also, it is very important that you send in your Christmas Party reservations before Nov. 22 so we can give the Vinings Club an accurate count. The cost this year will be \$60 per person which is pretty reasonable for a great evening meal with great friends.

As my term as President of the North Georgia Jaguar Club comes toward its end, I want to thank everyone who has helped with all the events, all the planning, and all the plain old hard work. We all can be proud to have a group with so many members who are eager to help one another enjoy the Jaguar marque and each others company.

THANKS AGAIN,  
JOE

## Report on 2005 Euro Auto Festival at the BMW Factory

By Dave Kirkman

Folks, this event has become a “do not miss fall outing”. Why? The BMW plant, located between Greenville and Spartanburg, SC, on I-85, is the perfect location to host a large, fun filled car event. Did I say large? Mike Fulton, yes the same guy of “Peaches” fame and chairman of this event, told me on Sunday morning that they had four hundred and forty-four European cars on display Saturday. Wow! Did I say fun? This is a very low key non concours event with cars of every possible European marque and model to see, friendly folks to visit with, and German food complete with a “um pa pa” band. If you get the urge to go fast, the BMW folks make all of their models available for you to drive in a variety of timed track events. Saturday evening features a banquet with guest speaker and Sunday has a fun rally and SCCA slalom for those who choose to stay over.

Accommodations at the host Marriott hotel, in nearby Spartanburg, are excellent. This is a new hotel and features underground parking, very good food, and reduced rates for those folks attending EURO.

The BMW plant is an easy drive up

I-85 from Atlanta for folks in a hurry or for anyone who wishes to make Saturday a one day outing. Beverly and I prefer to spend Friday taking the scenic back roads through North Georgia and across the up state of South Carolina.

This event has become a yearly fall driving highlight for us that we look forward to with

great anticipation. As we drove up, the wild flowers on GA400 were in full color and a lunch stop in Clarksville at an Italian restaurant made the morning drive a delight. After lunch we motored on to Spartanburg arriving in time for a nap and shower before the evening reception. Nothing better than an E-Type with the top down,

sunny fall weather, and an unhurried afternoon drive with great views of the Georgia and SC mountains against a clear blue sky!

Saturday was another perfect day with clear skies and mild temperatures. We joined the morning parade of classic cars headed South to the show and were directed to take our place along with the other Jaguar E-Types. This year’s featured marques were Italian cars and they were there in abundance. If you like red cars (and red Italian cars are, well, just special) this was the place to be! Coming home on Sunday, another warm sun splashed day, we even found more obscure country roads that were pure Jaguar driving paradise. We arrived back home sunburned and wind blown but I’ve got to tell you I honestly believe even the ole E-Type had a smile on its face from a weekend well spent.

This year our club was represented by us and the Coventry West gang of Mary Ann Kretz, Jim Anderson, Dick Maury, Chris and Pat Engelhorn, and Johnny Carson. Next year we hope more of you will join us for a nice fall drive and a delightful event. Who knows, we might even tackle the Dragon’s Tail and have lunch in Highlands, NC on the way home.

## North Georgia Jaguar Club Christmas Party, Sunday, December 4 at the Vinings Club

Begin your holiday season by celebrating and looking back on the year's events with your fellow members. The Vinings Club will provide their usual delicious fare. We'll have a choice of hot hors d'oeuvres, a delicious salad, and a choice of two entrees, followed by dessert. Coffee and tea will be included. All of this, good friends, lively conversation and maybe a surprise or two. What more could you ask? Well, how about door

prizes (you never know what they might be)? Of course to enjoy any of this you must be present.

The dress will range from dressy casual to black tie. The bar will be cash only and the dinner will be \$60.00 per person (gratuity included).

We need to provide a count to the Vinings Club by November 22 so don't delay. A Christmas party invitation will be mailed to you shortly and with it will be a response form and a preaddressed return envelope. Please mail your checks made payable to the North Georgia Jaguar Club to:

Even though your

check is not due until Nov.22, it helps us tremendously if we have some idea of the number attending earlier than that date. When you have a good idea whether you are attending, a quick e-mail (rmcleland@charter.net) or phone call to Roy Cleveland would be appreciated.

Directions to the Vinings Club will be included with the invitation. We look forward to seeing you there!

### Club is seeking photographs

John Yates is planning to do a compilation of photographs/video taken over the last year. He plans to produce a DVD containing these photographs to run during the cocktail part of our Christmas Party. If you took

any photographs (digital or film) from any of our events in 2005, he would like to either obtain copies or borrow them to help him with this project. Please contact him at 770-516-0296 to arrange for his use of these photographs.

## Sports Imports & Classics, LLC

We sell or lease vehicles that are still under the factory warranty. To us, purchasing a car should be a pleasant experience; therefore we price our cars realistically.

We leave the haggling to the other guys

All of our cars are under factory warranty, but we also offer the option of an extended warranty at a reasonable price.

Want a particular Jag? Try our Custom Order program under the What's New heading on our website.

We purchase our vehicles at the Exotic Highline auction from Jaguar Leasing Corporation or Jaguar Credit.

The new car dealers purchase their pre-owned cars at the same auction.

Our selection criteria include only those vehicles that are the cream of the crop. We do NOT buy repossessions, rentals, unibody damaged cars or lemon law returns. We leave those for the other guys. All of our Jags are kept in our indoor showroom.

We are members of the North Georgia Jaguar Club and the Jaguar Club of North America. We not only sell Jags, but own them as well.
