### NGJC Concours 100-Point E-Type Is Now OK

the marque and now it is in the possession of Bill and Cindy Stewart of Edmond, Oklahoma.

The news that Dick sold the car he has owned since 1973 was surprising to a lot of us as he has spent a lot of time and effort over the intervening years getting that original driver into spectacular shape. And the Concours judges agreed—scoring a perfect 100 points in Championship class October 9th at the club's Concours.

Dick provided a little background, "I bought the car in 1973 when it was 10 years old for the top dollar of \$1900. It was my second XKE as I had a 1966 2+2 which I ended up selling after getting the roadster. As I was living at home and commuting to college every day, the XKE was parked outside and was my everyday transportation rain or shine. School was 30 miles each way and I worked in the afternoons also. I probably put 80–100 thousand miles on the car over the next few years before getting a more practical car for everyday driving."

Dick commented, "They (the Stewarts) are JCNA people and this is their third Jaguar. I had met them at Pebble Beach and they really wanted the car. I was surprised that I sold it but was even more surprised that the very last show I was showing it at scored 100 points—which was our show."

### PRESIDENT'S CORNER

by Pat Harmon

I have a number of important things to discuss in this month's newsletter so please take a minute and read this. First I want to sincerely thank all of our club members who helped with this year's Concours d'Elegance. This was our largest show ever with 67 cars registered, 25 of them being E-Types. As most of you know, this year marks the 50th anniversary of the E-Type and we wanted to make sure our Concours put their best foot forward. Leading the pride were the 6th and 10th E-Types ever produced. Both fresh from total restoration they were quite a sight to see. Many people were involved-- making this Concours a huge success. All of the planning, parking, registration, judging, scoring made it a well-oiled machine and a pride to watch. Special thanks to Roy and Linda Cleveland allowing us to, once again, use their country club as this year's venue.

As I complete my first year as club President I want to say that I think we achieved our goal of increasing club membership and getting members more active in our events. John Baxa, our VP Membership reports that we are now 136 strong--one of the larger in the JCNA. Dave Kirkman, our VP and activities leader did just that and we had a lot of fun this year because of

## 2011 Euro Auto Festival BMW Plant

Submitted by Dave Kirkman

Following a week of rainy cool weather the skies cleared and the sun was shining bright on a perfect fall day for this year's EURO Auto Festival. This was the sixteenth year for this annual event that draws over 400 European cars of all makes and models and is held on the grounds of the BMW plant just north of Greenville, SC.

Although the featured marques this year were the Austin Healy Sprites and MG Midgets the real show was the over forty Jaguar E-Types that came to help celebrate this iconic sports car's fiftieth anniversary. Many of the E-Types that were on display at our NGJC Concours the week before found their way to the EURO and it was good to visit with the owners of these cars again. Several of our club members displayed their cars. James and Nina Potter, Dick Maury's "Green Racer",

Dave and Beverly Kirkman and new club member John Cianciarulo had their cars on the field. Jeff and Lori Smith came by to say hi but their beautiful Series III E-Type was still in Atlanta having experienced a flat tire on the way out of town Saturday morning.

Vail and Linda Frost brought their Lamborghini Espada and Ivan and Myrna Ruiz's Maserati Mistral took first place in the Italian Car Class. I ran into Bill Fortenberry on Sunday morning in the hotel lobby and he said that he and Mary Ann had enjoyed the weekend. James Strickland's 1961 very early E-Type took the "Crowd Pleaser Award" for the Jags.

Next year the featured marque will be Mercedes and I am sure that will be a good show.

Keep your eyes on your mailbox for all the details about the 2011 Christmas party to be held again at the Vinings Inn. It will be Sunday evening, December 18th and the final menu details and prices are still being worked out-

his efforts. People belong to a club because it does things they want to do. Pretty simple to say but harder to make happen. Another one of my goals was to get our Board of Directors more involved in club management and activities. We have been meeting quarterly and the decisions made have been good ones. My thanks to Dave Kirkman, Roy Cleveland, John Baxa, John Hollier and Larry Kludt for your help and expert advice.

And now, I am asking for YOUR help. As I said, people belong to a club because it does things they want to do and now is your chance to help us out. Our Annual Membership Meeting will be held on November 19th. It will only last two hours but it will be the most important two hours we will spend all year. At this meeting we will hold our annual election of officers, vote on an important change to our by-laws and, most-importantly discuss what we want to do in the upcoming year. Regarding this last item, your input and ideas are pure gold to us. I ask you, right now, to put on your thinking

cap and come up with some fun and exciting things you would like to do as a club this coming year. Now also is the time to ask yourself, "How can I help my club?" All of the things we do are planned by folks who volunteer their time and effort and I am asking YOU to be one of those folks. It can be big or it can be small...just volunteer to do something.

# North Georgia Celebrates the E-Type in the Finest Southern Tradition

Submitted by: Pat Harmon

The North Georgia Jaguar Club held its largest Concours d'Elegance ever this Fall with over 67 Jaguars gracing the shores of beautiful Lake Lanier just outside of Atlanta. Host club of the 2005 Challenge Championship and home club of our JCNA President, the NGJC wanted to do something special this year to celebrate the 50th anniversary of the E-Type. They did just that with over 25 of these beauties on display to include two very special Series 1 cars...

James Strickland, a JCNA at-large member, brought his beautiful Opalescent Bronze number six LHD E-Type. This was the first JCNA Concours for this car after a meticulous restoration by JCNA member Mark Lovello at Jaguar South and won the "People's Choice Award".

Wayne Phears, an NGJC member, showed his Opalescent Gunmetal number ten LHD E-Type. The restoration on Wayne's car was freshened during the summer of 2010 in anticipation of the upcoming E-Type celebrations in 2011. Wayne's E-Type won the blue ribbon in a special "by invitation only" 50th Anniversary E-Type Class at the prestigious Hilton Head Island Concours last fall before being shipped to the New York International Auto Show by Jaguar Cars in January for display on their stand.

Additionally, the club presented each of their E-Type entrants with a special 50th anniversary commemorative poster. There was a great turnout of E-Types this year

thanks to Dave Kirkman's efforts to marshal attendance for this anniversary year.

There is a special camaraderie forming in the Southeast Region and the annual Concours in Gainesville is becoming more of a homecoming than a car show. This year saw not only the NGJC but the Smoky Mountain, Carolina, and Nation's Capital clubs coming together. This Concours was a Sunday event but the real party started the day before and along with it a special story.

Seems that Jerry Ellison and Havner Parish from the Carolina club were getting ready for their annual trek to Georgia when a problem developed. Jerry already had his 1956 XK140 loaded on the trailer with Havner ready to follow in his 1964 E-Type when they discovered Hav's car was having trouble

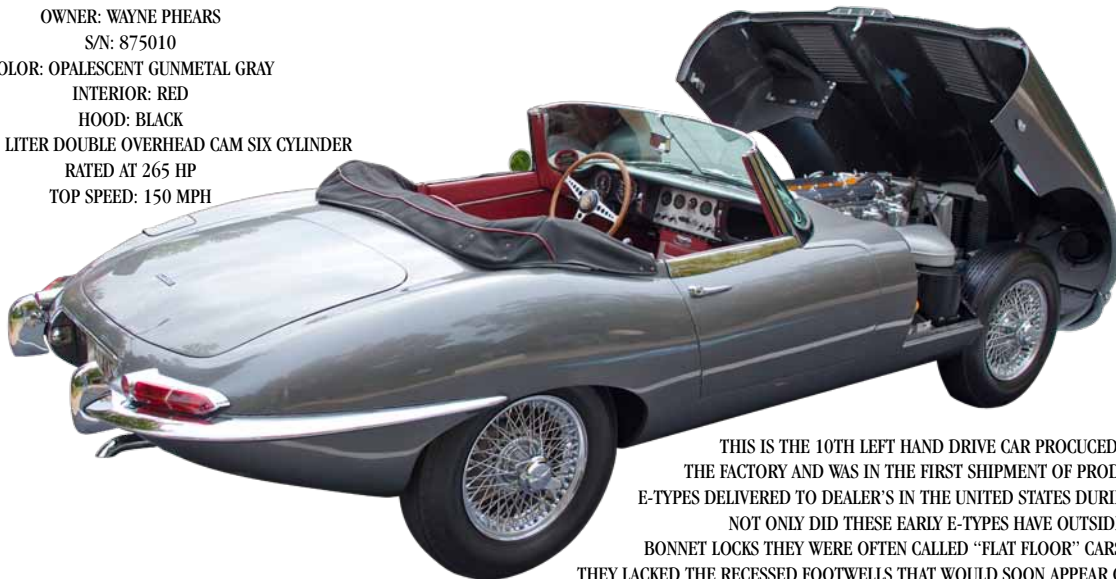

making 2500 rpm...not a good thing amidst the I-85 truck traffic. So, in true JCNA fashion, Jerry offered his van and trailer to Havner and off they went to Georgia, now with Havner trailering his E-Type and Jerry behind driving the 140.

That afternoon, Pat Harmon NGJC Chief Judge drove by the hotel to make sure all accommodations were correct only to find Jerry now with a dead battery and very worried that he would not make the Concours. Alas, he and Pat decided the regulator contacts must be dirty and a parking lot project began with a piece of 400 grit sandpaper Jerry found in his tool kit. The battery was recharged, the ammeter gave a thumbs-up and it was off to the Concours for a very happy Jerry!

THIS IS THE 10TH LEFT HAND DRIVE CAR PRODUCED BY THE FACTORY AND WAS IN THE FIRST SHIPMENT OF PRODUCTION E-TYPES DELIVERED TO DEALER'S IN THE UNITED STATES DURING MAY 1961.

NOT ONLY DID THESE EARLY E-TYPES HAVE OUTSIDE BONNET LOCKS THEY WERE OFTEN CALLED "FLAT FLOOR" CARS BECAUSE THEY LACKED THE RECESSED FOOTWELLS THAT WOULD SOON APPEAR ON LATER 1961 CARS.

AT SOME POINT THE ORIGINAL MOTOR WAS REMOVED FROM THE CAR IN ALABAMA ONLY TO BE LATER FOUND AND REUNITED WITH THE CAR MANY YEARS LATER BY AN OWNER IN CALIFORNIA.

THE CAR WAS ORIGINALLY RESTORED BY RANDY AAGAARD DURING THE 1990s AND RECEIVED AN UPDATED RESTORATION BY TIM GRUBS AND ROMAN PARNICAN OF ATLANTA DURING 2010 IN TIME FOR THE 50TH E-TYPE CELEBRATION AT THE HILTON HEAD ISLAND CONOURS.

THIS PARTICULAR CAR WAS SELECTED BY JAGUAR CARS OF NORTH AMERICA TO BE DISPLAYED ON THE STAND AT THIS YEAR'S NEW YORK CITY INTERNATIONAL AUTO SHOW IN TRIBUTE TO THE 50TH ANNIVERSARY OF THE INTRODUCTION OF THE E-TYPE.

THIS CAR HAS WON PREVIOUS AWARDS AT THE AMELIA ISLAND CONOURS AND THE HILTON HEAD ISLAND CONOURS WHERE IT TOOK FIRST PLACE

IN AN "BY INVITATION ONLY" CLASS OF CONOURS E-TYPES IN NOVEMBER 2010.

IT ALSO WON THE HILTON HEAD CONOURS AWARD FOR EXCELLENCE IN AUTOMOTIVE DESIGN AT THE SAME SHOW.

THIS IS ONLY THE SECOND TIME THE CAR HAS BEEN SHOWN AFTER ITS UPDATED RESTORATION.

# North Georgia Celebrates the E-Type in the Finest Southern Tradition

Submitted by: Pat Harmon

Gainesville is one of your typical, Civil War era towns spared the torch of General Sherman. Saturday evening found the Southeast Region reunion wining and dining on the town square replete with its own rebel soldier statue. Taking over most of the restaurant's tables, it became a great party including Howard Bollinger excusing the band while he entertained everyone with... what else... Georgia on My Mind.

Sunday brought perfect weather and one of the best Concours venues on the JCNA circuit – the Chattahoochee Country Club on Lake Lanier. Courtesy of Hennessy Jaguar

Gwinnett the formal dining room was packed with 130 JCNA members and guests having brunch and enjoying the finest of Southern cooking.

The NGJC is a very active, driving club and although they have quite a number of Champion Division cars, those same cars are frequently on the road on their monthly driving events. They wanted to do something special... a travelling trophy... to be given not necessarily to the most perfect, or expensive car on the field but to a car that earned it. This was the Judge's Choice and selected for three things: appearance, effort and use. During judging, each team picked their nominees for the award and then, when the judging phase was completed, the judging team walked the field, interviewed the entrants nominated and picked their choice. Andy Charlish's 1955 XK140 was the standout.
