Thank you for a splendid Festival, so well organized and filled with incredible Jags! Thank you also for responding to my many queries on procedure and protocol. I found the long trip and trailer haul well worthwhile!

-Lawrence Baxter

Congratulations on a great International Jaguar Festival. You must have been pleased with such a strong turnout. And thank you for the wine. That was a very nice thing to do and I really appreciated it.

-Kim McCullough

Congrats on the well planned and executed 2017 JCNA IJF!

**The JCNA International Jaguar Festival
Concours D'Elegance**

The second annual IJF Concours was held at Lanier Islands Resort on October 13, 2017. Slightly less than 80 Jaguars were judged with approximately thirty more present for "display." The vehicles came from across the country and without question were some of the rarest, most beautiful Jaguars in existence. The judging venue was a lovely grassy field on the banks of the lake which gave a very elegant feel to the event. Our judges also came from near and far, and were among the most experienced and most expert judges ever assembled to evaluate Jaguars. Dick Cavicke, the JCNA Chief Judge was present to oversee the entire process.

Because of all the activities required in one short day, the Operation Verifications began at 7AM in the dark. Three stations evaluated the vehicles prior to their being directed to the judging field. By 10:30 AM an impressive field of well over one hundred meticulously prepared vehicles were arrayed in front of Lake Lanier ready to be judged and admired.

I'm not going to thank individuals, simply because there were too many for a short article. Our NGJC absolutely rose to the challenge of this event with a broad support from club members, our club judges, and many spouses. Judges from other clubs cheerfully contributed as well, and all the while JCNA had our backs. As the Chief Judge of this event I felt secure with the help of Assistant CJ Mitchell Blayney and the backup of our JCNA administrator (George Camp), our JCNA Chief Judge (Dick Cavicke), JCNA President (Jack Humphrey), as well as our own Dick Maury and club President (John Hoffman). Working with these folks was a privilege and a poor performance was never an option.

**LETTER FROM THE
PRESIDENT**

The JCNA IJF is finally behind us. From all I heard the JCNA International Jaguar Festival, hosted by our club, was a success. We received many positive comments, some of which should be reprinted in this newsletter, as well as articles on the various events. Most important were the sponsors. The show would not have been the success it was without their participation. Please be sure to consider those sponsors in your future dealings in the industry.

I wish to commend all the members who took part in the show. You did a wonderful job and represented the club extremely well. Now it's back to running the club on a day to day basis, which should seem very mundane after the previous months we have had. The next item on the agenda is the annual business meeting taking place at the Hilton Garden Inn, North Point, on

Saturday, November 18th, at 10:00 A.M. Please try to attend this meeting. We will be presenting the financial review of the JCNA IJF and electing next year's officers. The slate of nominated officers and ballot appear in this newsletter. It is important to let your voice be heard at this meeting if you have any issues with the club.

One note to the ballot. You will see the Treasurer spot is left blank. This is a very important office in the club and our need is immediate. Ideally, we would like someone with an accounting or budgeting background to fill the office. Please consider it yourself if you believe you qualify or nominate someone you know would do the job. Contact me with any questions or to add a nominee to the ballot.

We will also be adding activities to our calendar for next year.

The standing activities are:

- Valentines lunch in February,
- Jaguar and Friends picnic in June,
- Concours in October,
- Business Meeting in November and the
- Christmas Party in December.

That leaves several months without activities. We are open to suggestions.

Don't forget to mark your calendar for the Christmas party on December 17th at Naylor Hall. Invitations should be in the mail or will be mailed shortly.

John Hoffman

Thanks for putting together the International Jaguar Festival rally. We were commenting among ourselves about how much time and effort it must have taken. The Hawk's buffet is my kind of eating, and starting at Panoz was a huge bonus!

-Bill Unger

The NGJC did an outstanding job in presenting the IJF. They began their planning early and carried out a number of trial runs on various events to straighten out the inevitable kinks. It was obvious that many of their Club Members participated in the on the ground work and that they had garnered good support from the host Resort. Kim's active participation was a real plus and should really help her back in NJ when a JCNA issue should arise. Again, thank you all and the NGJC Members for this successful event.

-Tom Wright

Totally agree-stellar!

-George Camp

Thank you for going above and beyond to coordinate a tremendous event for members and vendors. We felt like family. Honestly, the hospitality, food and activities could not have been better. Not to mention the Concours on the water--are you kidding? It was a privilege to participate. You should take a well-deserved vacation.

-Cris Vanderberg

You guys hosted a wonderful, very memorable event. It will be hard to top.

Congratulations on a job very well done.

-Steve Kennedy

JCNA IJF Rally

Submitted by Dave Kirkman

The rally had twenty-one entrants from fourteen states and sixteen teams actually made it to the start at Panoz on Saturday morning. John Baxa sent the teams off in one minute intervals with Kim McCullough (VP of JLR) and husband Mitch having the honor of being rally car number one in their XK120 followed by Jack Humphrey (JCNA President) in rally car number two with Bill Corn as navigator (Jack drove his XK8 out from Colorado Springs no less) and William and Mary Sihler (JCNA Treasurer) in rally car number 3.

Our club received numerous complements on the rally and none of that would have been possible without the time and effort that our club members made on our behalf. Thanks to John Baxa for helping with both practice rallies and getting everyone started on Saturday, Beverly Kirkman for calculating the final results, and all those club members who participated in the first and second practice rally that

helped confirm the routes and rally times.

A very special thanks goes to Pete and Janell Helman for manning Checkpoint Two at the Stonepile Baptist Church. The Helmans had to drive over seventy miles to get to the checkpoint and then sit and wait for the rally teams to find their way up the beautiful winding road of Stonepile Gap to the church parking lot. After everyone cleared Checkpoint One I drove up to the church. Along with the Helmans there were two church ladies cleaning up for Sunday service. One of them laughed and told me they were surprised when they arrived because they had never seen two folks camp out in their parking lot before!

Again, thanks to all our club members who helped make the rally a successful one filled with good memories; especially for our out of state guests.

Laly Davis Takes Second Place In JCNA IJF Rally Class MN2

Submitted by Dave Kirkman

Sometime good things happen when you least expect them to. This was the case with the rally when club member Laly Davis approached me and said she would like to participate in the rally but did not have a navigator.

Well, just so happens that when Beverly and I were checking in at the hotel we ran into Cameron Jacques, our good friend and local Hagerty rep, and he introduced me to Cris Vanderburg, from Hagerty's home office. Cris told me he had nothing planned for Saturday and I said I would see if I could find someone who needed a rally navigator.

So the rest is history as they say as Laly drove her Jaguar and Cris navigated to a well earned second place in the MN2 Class (folks who have less than two years JCNA rally experience). Congratulations to them both!!

Time to Renew Jag Club Membership for 2018

Submitted by John Baxa

The 2018 membership dues for NGJC of \$54 are due by January 1. If you are going to renew your membership for 2018, please mail your dues by the middle of December. If you know you are not renewing, a quick e-mail to Lynn Cunningham or John Baxa would be appreciated so that our e-mailing of the roster to JCNA will not be delayed. We have to send a roster to JCNA with dues payments for each member on the roster in early 2018 so it is very important that we have all our dues collected by January 10.

There are now two ways to pay: by check or by PayPal. Please note that you do not need to have a PayPal account to pay by credit/debit card. If paying with PayPal, please go to www.ngjc.us and click on the Membership tab at the top of the page and follow the directions. Or, if you want to pay for the Christmas Party and your membership at the same time go to the Calendar tab then click on NGJC Christmas Party and you can then pay for both.

If your payment does not reach us by January 10, you will be dropped from the renewal roster which we send to JCNA. If you rejoin later, we have to reinstate your membership which takes the time of people who are doing all this voluntarily. Do your part and make your payment when you read this.

In making your decision on renewal, you should consider the following tangible benefits of club membership:

- (1) discounts on repairs and parts from Hennessy Jaguar,**
- (2) rebates from Jaguar on purchases of new Jaguar automobiles available only to members of JCNA,**
- (3) subscription to the Jaguar Journal published by JCNA, and**
- (4) access to the knowledge accumulated by members of NGJC during years of experience with Jaguars.**

The discount from Hennessy on a \$500 repair would more than pay for your annual membership dues.
